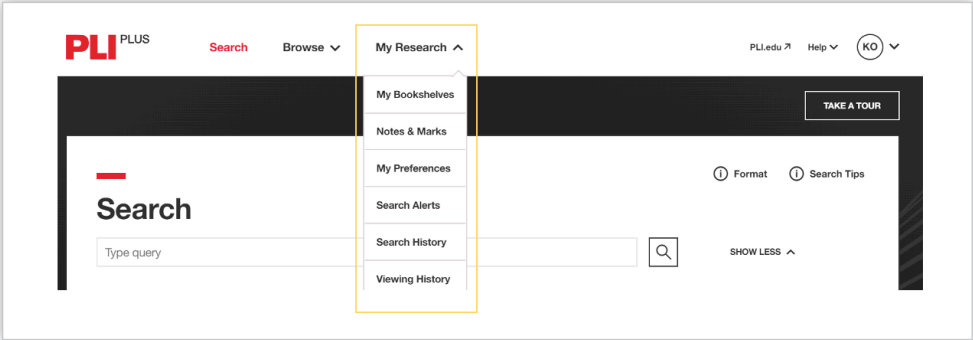
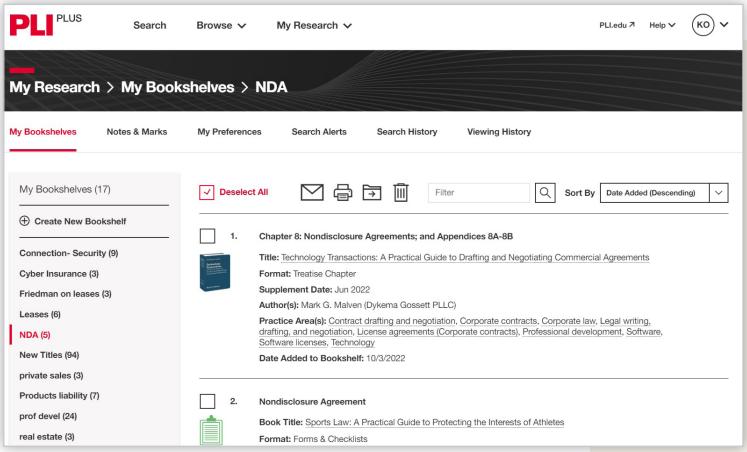
PERSONALIZE
YOUR RESEARCH

PLI PLUS was designed by legal researchers to meet the needs of legal researchers. We provide tools to help you work more efficiently. Stay organized with My Research - you can easily add notes and marks, review your selected content, set up search alerts, and customize your research experience.





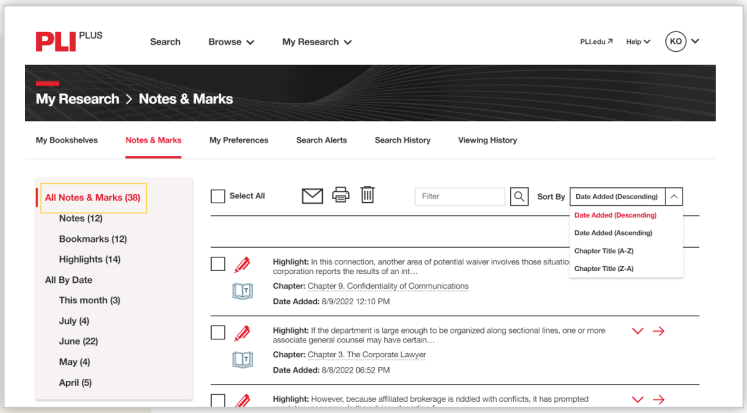
My Bookshelves

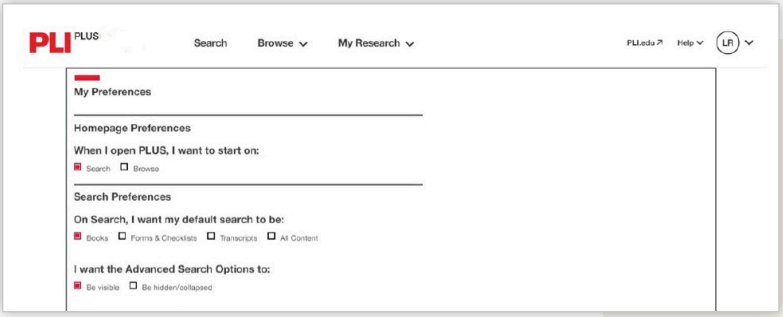
Manage documents by selecting those you find helpful in your research and save them to your bookshelf for review at any time.

Notes & Marks

View any notes, bookmarks, and highlights, including citations.

a. Add Note
b. Highlight Text
c. Bookmark Page



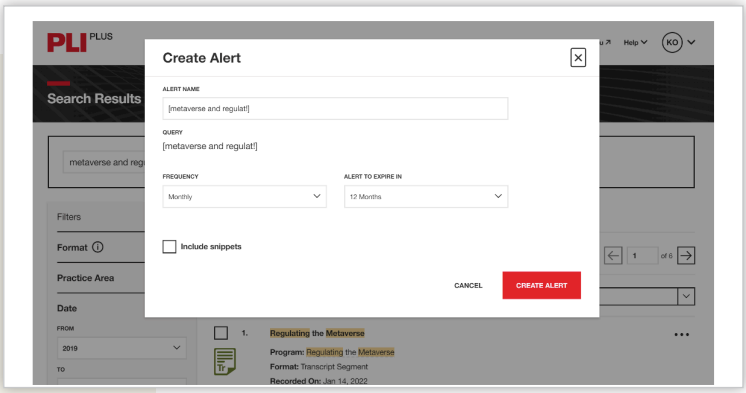


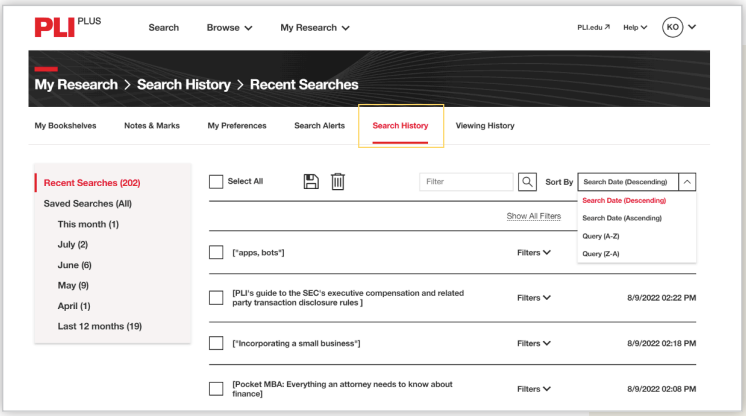
My Preferences

Tailor your PLI PLUS experience with custom homepage, search and browse settings.

Search Alerts

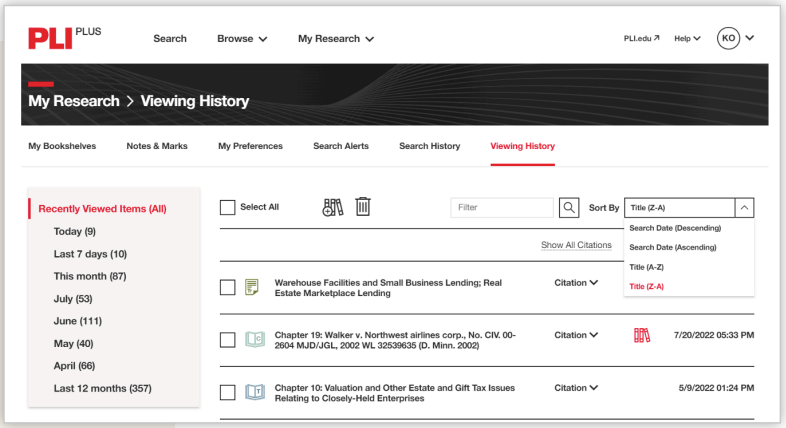
To stay up to date on legal developments, set up an alert and receive an email notification when new content matching your search is published.





Search History

View your recent and saved searches and easily rerun or save selected ones.

Viewing History


Access recently viewed documents and never lose track of past materials.
