PLI Discover PLUS - IP Address Provisioning Template

Please kindly provide the IP address(es) for the locations at which PLI Discover PLUS content should be accessible.

> IPv4 addresses only;
> IP address ranges should be provided completely in dotted decimal format;
> Do not use wildcard (i.e. *) ;
> Do not use CIDR (Prefix-Length) notation when providing IP ranges

Example: 198.51.100.0/22 should be expressed as 198.51.100.0 to 198.51.103.255

Location #	Location Name (City, State)	IP Address (FROM)	IP Address (TO)
