Variable Annuities & Variable Life Insurance Regulation

Second Edition

Edited by Clifford E. Kirsch
Sutherland, New York City

At a time when the SEC, FINRA, and state authorities are putting increasing regulatory pressure on the securities industry, Variable Annuities & Variable Life Insurance Regulation, Second Edition is an indispensable resource for every individual and firm affected by these new and continually evolving mandates. Highlights of Release #5 include:

• New Appendix 8A-A, Summary of Five-Year Review Comments and PSC Recommendations For Uniform Standards in Phases 2, 3, and 4 of the Five-Year Review.

• Chapter 1 has also been updated. To aid in your research, the Table of Authorities and Index have been updated to incorporate the latest developments and regulatory changes.

Practising Law Institute is proud to publish this up-to-date and authoritative coverage of variable product regulation. If you have questions about this book, or need information on our other products and services, please contact customer service at (800) 260-4PLI.
