§ 1:1 Introduction
§ 1:2 The 2006 E-Discovery Amendments
  § 1:2.1 Background
  § 1:2.2 Preservation and the Amendments
  § 1:2.3 Discovery of Electronically Stored Information
  § 1:2.4 Scope of Party-Managed Discovery: Inaccessible Sources of Information
  § 1:2.5 Discovery Management: Early Attention to Contentious Issues
  § 1:2.6 Discovery Management: Forms and Formats of Production
  § 1:2.7 Sanctions Practice: Limitations for Routine, Good Faith Losses
  § 1:2.8 Other Discovery Rules
    [A] Initial Disclosures
    [B] Clawback of Production of Privileged Communications or Trial Preparation Materials
    [C] Responses to Interrogatories Based on Business Records
    [D] Third-Party Practice
§ 1:3 E-Discovery in the United States Tax Court
§ 1:4 The 2008 Evidence Amendments
§ 1:5 E-Discovery in State Courts
§ 1:6 Other E-Discovery Rules
Chapter 2  Information Management Policies and Procedures

Anthony J. Diana, Kim Leffert, & Seema Dargar

§ 2:1  Introduction.................................................................... 2-3
§ 2:2  Managing Data Systems to Anticipate Litigation........... 2-4
§ 2:2.1 Internal Witness Preparation ........................................ 2-4
[A] Questions About Email Storage ........................................ 2-5
[B] Questions About Laptops .................................................. 2-6
[C] Questions About Desktops ............................................... 2-7
[D] Questions About Procedures for Retaining Data
for Departing Employees..................................................... 2-8
[E] Questions About Records Management and
Document Retention Policies ............................................ 2-8
[F] Questions About Home Computers .................................. 2-9
[G] Questions About Portable Media .................................... 2-10
[H] Questions About Handheld Devices ................................. 2-10
[I] Questions About Internet and Intranet
Usage and Social Media...................................................... 2-11
[J] Questions About Web Meetings and
Collaboration Tools.......................................................... 2-12
[K] Questions About Backup Systems ................................. 2-12
[L] Questions About Preservation ....................................... 2-14
[M] Questions About Collection ......................................... 2-15
[N] Questions About Group (Shared) Network
Drives ............................................................................. 2-16
[O] Questions About Structured Databases ......................... 2-17
§ 2:4.8 Remediation of Accumulated Images of Hard Drives and Other Custodian-Level Data .......... 2-50
§ 2:4.9 Remediation of Legacy Data in Possession of Employees ................................................................. 2-51
[A] Challenges .......................................................................................................................... 2-51
[B] Approaches ..................................................................................................................... 2-52
[B][1] Centralization ................................................................................................................. 2-52
[B][2] Data Remediation by Personnel .................................................................................. 2-53
[B][3] Office-by-Office, Person-by-Person Remediation ......................................................... 2-53
[B][4] Exclusion of Personnel Data from Any Remediation Project ...................................... 2-54
§ 2:5 Trends .......................................................................................................................... 2-54
§ 2:5.1 Managing Risks of Deletion of ESI ............................................................................ 2-54
§ 2:5.2 Requiring Investment in Technology ........................................................................ 2-58
§ 2:5.3 Internal Social Media Policies .................................................................................. 2-59

Chapter 3 Litigation Management Policies and Procedures
Anthony J. Diana & Kim Leffert
§ 3:1 Introduction ................................................................................................................. 3-2
§ 3:2 Legal Department Role ................................................................................................ 3-2
§ 3:2.1 Overview .................................................................................................................. 3-2
§ 3:2.2 Managing Risk .......................................................................................................... 3-3
§ 3:2.3 Achieving a Reasonable, Good Faith Approach to Preservation .................................. 3-5
§ 3:3 Corporate Policies ........................................................................................................ 3-7
§ 3:3.1 Confidential Information ........................................................................................... 3-7
§ 3:3.2 Attorney-Client Privilege and Work Product Doctrine .................................................. 3-10
§ 3:3.3 Preservation ............................................................................................................... 3-12
§ 3:3.4 Collection .................................................................................................................... 3-13
§ 3:3.5 Review and Production .............................................................................................. 3-14
§ 3:4 Litigation Holds ........................................................................................................... 3-16
§ 3:4.1 Timing ......................................................................................................................... 3-17
§ 3:4.2 Process for Issuing a Hold ........................................................................................ 3-18
§ 3:4.3 Scope of the Hold ....................................................................................................... 3-19
§ 3:5 Corporate Compliance .................................................................................................. 3-20
§ 3:5.1 Employee Training .................................................................................................... 3-20
§ 3:5.2 Monitoring and Updating .......................................................................................... 3-21
§ 3:5.3 Integration of Outside Counsel and E-Discovery Vendors ....................................... 3-21
# Chapter 4 Preservation Obligations

*Anthony J. Diana, Therese Craparo, Andrew J. Calica, & Noah Liben*

| § 4:1 | Introduction .................................................................... 4-4 |
| § 4:2 | Boundaries of the Duty to Preserve .................................. 4-4 |
| § 4:2.1 | Triggering of Preservation Obligations .......................... 4-5 |
| [A] | Notice of the Duty to Preserve .................................... 4-6 |
| [B] | Reasonably Anticipated Future Litigation ......................... 4-7 |
| [B][1] | “Potential” Versus “Anticipated” Litigation ..................... 4-7 |
| [B][2] | Factors That May Trigger a Duty to Preserve ...................... 4-10 |
| [B][2][a] | Fear of Future Litigation .......................................... 4-10 |
| [B][2][b] | Retention of Counsel or Other Experts .......................... 4-11 |
| [B][2][c] | Notice of Conduct Underlying a Potential Claim .................. 4-12 |
| [B][2][d] | Litigation Has Become Commonplace Under Similar Circumstances ........ 4-14 |
| [C] | Best Practices for Determining the Triggering of an Obligation .................................................. 4-14 |
| [C][1] | Develop Information About the Organization’s Exposure to Typical Triggering Events .............................................. 4-15 |
| [C][2] | Develop a Process for the Notification of In-House Counsel of Triggering Events .......................... 4-15 |
| [C][3] | Take Steps to Analyze Costs and Risks to Organization .............. 4-15 |
| § 4:2.2 | Scope of Preservation Obligations .................................. 4-16 |
| [A] | Types of ESI That Must Be Preserved ............................... 4-18 |
| [B] | Identifying Sources of ESI Likely to Contain Discoverable Information .................................................. 4-22 |
| [B][1] | Accessible Versus Inaccessible Data ................................. 4-23 |
| [B][2] | Routine Operations ...................................................... 4-27 |
| [B][3] | Email ........................................................................... 4-29 |
| [B][4] | Handheld Devices .......................................................... 4-30 |
| [B][5] | Websites ....................................................................... 4-31 |
| [B][6] | Group/Shared Drives ..................................................... 4-31 |
| [B][7] | Determining Key Players and Relevant Time Frames .............. 4-32 |
| [B][8] | Former Employees ......................................................... 4-33 |
| [B][9] | Custodians’ Personal Data ............................................... 4-34 |
| [B][10] | Data Sources Frequently Relevant in Similar Litigations ............ 4-36 |
| [C] | Raising Preservation Issues .............................................. 4-37 |
§ 4:2.3 Search Technology ................................................... 4-38
§ 4:2.4 Form of Preservation ............................................... 4-39
§ 4:2.5 Methods of Preservation ......................................... 4-42
   [A] Manual Copy .......................................................... 4-43
   [B] Active Data Copy .................................................... 4-43
   [C] Forensic Image Process .......................................... 4-43
   [D] End-User-Driven Process ........................................ 4-44
   [E] Supervised Tape Archive Process .............................. 4-44
   [F] Records Management .............................................. 4-44
   [G] Individual Computer Backup .................................. 4-45
§ 4:3 Types of ESI .................................................................. 4-45
§ 4:3.1 Voice Mail ............................................................... 4-45
   [A] Discoverability ........................................................ 4-45
   [B] Best Practices for Preservation ................................ 4-46
§ 4:3.2 Instant Messaging ................................................... 4-47
   [C] Expansion into the Corporate World ........................ 4-49
   [D] Treatment of Instant Messaging in Discovery ............ 4-50
   [D][1] Discoverability ...................................................... 4-50
   [D][2] Duty to Preserve ................................................... 4-51
   [D][3] Regulatory Guidance ............................................ 4-53
   [D][4] Practical Considerations ...................................... 4-53
   [E] Best Practices for Preserving Instant Messages ........... 4-54
   [E][1] Evaluate Need for an IM System ............................ 4-54
   [E][2] Install Corporate IM System and Prohibit Use of Public IM .................................... 4-54
   [E][3] Establish a General IM Policy ............................... 4-55
§ 4:3.3 Backup Media ......................................................... 4-55
   [A] The Nature of Backup Tapes and Their Limitations in Discovery ........................................ 4-56
   [B] Duty to Preserve ..................................................... 4-58
   [B][1] Common Law Preservation Obligation .................... 4-58
   [B][2] Application of Preservation Duty to Backup Tapes .............................................. 4-59
   [C] Best Practices for Preserving Backup Media .............. 4-63
   [C][1] Obtain Comprehensive Understanding of Disaster Recovery Systems ...................... 4-63
   [C][3] Object to, and Consult About, Preservation of Backup Data As Soon As Practicable .......... 4-64
   [C][4] Develop Standard Disclosure Documents ................ 4-64
§ 4:3.4 Hard Drives and Images of Hard Drives .................. 4-65
## Table of Contents

[A] Mirror Imaging .............................................................. 4-66  
[B] Demands for Mirror Imaging ........................................ 4-66  
[C] Best Practices .............................................................. 4-69  
[C][1] Develop and Follow Guidelines for When to Preserve Hard Drives or Take Images ....................... 4-69  
[C][2] Develop a Process for Managing Hard Drives and Images .............................................................. 4-69  

§ 4:3.5 Data in Dynamic or Transitory Systems ................. 4-69  
[A] Preserving Dynamic Data ........................................... 4-69  
[B] Best Practices .............................................................. 4-70  
[B][1] Obtain Comprehensive Understanding of Relevant Systems ......................................................... 4-70  
[B][2] Develop and Follow Guidelines for When to Preserve Data .............................................................. 4-71  
[B][3] Deal with the Preservation of Data from Dynamic and Transitory Systems As Soon As Practicable .............................................................. 4-71  
[B][4] Develop Standard Disclosure Documents Regarding Data from Dynamic and Transitory Systems .............................................................. 4-71  

§ 4:3.6 Legacy Data .............................................................. 4-72  
[A] Preservation .............................................................. 4-72  
[B] Best Practices .............................................................. 4-72  

§ 4:3.7 Emerging Technologies: Social Networking and Other Web-Based Technologies ......................... 4-73  
[A] The Next Generation of ESI ........................................ 4-73  
[B] Examples of Emerging Technologies .............................................................. 4-73  
[B][1] Social Networking and Video-Sharing Sites ........... 4-74  
[B][2] Web-Based Collaboration Applications .................. 4-74  
[B][3] Cloud Computing .............................................................. 4-75  
[C] Emerging Technologies in Discovery ......................... 4-76  
[D] Best Practices for Preservation ........................................ 4-76  
[D][1] Understand How Emerging Technologies Are Used .............................................................. 4-77  
[D][2] Evaluate the Business Need ........................................ 4-77  
[D][3] Educate Employees .............................................................. 4-77  
[D][4] Establish Policies Regarding the Use of Web-Based Technologies .............................................................. 4-77  
[D][5] Include Emerging Technologies in Legal Hold Notices .............................................................. 4-77  
[D][6] Negotiate Contractual Agreements with Cloud Computing Providers .............................................................. 4-78  
[D][7] Develop Procedures for Capturing Web-Based or Third-Party Hosted Data .............................................................. 4-78  
[D][8] Audit Compliance with Policies .............................................................. 4-78  

(E-Discovery, Rel. #1, 10/14) xxiii
§ 4:4 Legal Holds ................................................................. 4-79
§ 4:4.1 Executing Legal Holds ............................................. 4-79
[A] Contents of Preservation Notice ................................. 4-81
[B] Recipients of Preservation Notice ............................... 4-82
[C] Auditing Compliance with Preservation Notice ............ 4-84
[D] Best Practices ............................................................ 4-85
§ 4:4.2 Evergreen Holds ..................................................... 4-86
[A] Determining Whether an Evergreen Hold Is Necessary . 4-86
[B] Best Practices ............................................................. 4-87
§ 4:4.3 Lifting Legal Holds .................................................. 4-88
[A] Termination When Matter Is Ultimately Concluded ....... 4-88
[B] Changes in Scope of the Legal Hold ......................... 4-89
[C] Additional Considerations ........................................... 4-90

Chapter 5 Managing the Meet-and-Confer Process

Anthony J. Diana, Therese Craparo, & Jarman D. Russell

§ 5:1 Introduction ............................................................. 5-1
§ 5:2 Responsibilities of Counsel ....................................... 5-4
§ 5:2.1 Outside Counsel's Responsibility ............................ 5-4
§ 5:2.2 Relationship Between In-House and Outside Counsel . 5-9
§ 5:2.3 Best Practices in Preparing for a Meet and Confer .... 5-12
§ 5:3 Key Issues for Discussion .......................................... 5-14
§ 5:3.1 Use of Search Terms and Advanced Search Technology . 5-17
§ 5:3.2 Privilege Protocols .................................................. 5-20
[A] Clawback Agreements ................................................. 5-23
[B] Quick-Peek Agreements .............................................. 5-24
[C] Use of Search Terms or Data Analytics ....................... 5-24
[D] Privilege Logs ............................................................ 5-25
[E] Privilege and Metadata Review ................................... 5-28
§ 5:3.3 Form of Production ............................................... 5-29
§ 5:3.4 Preservation ............................................................ 5-33
§ 5:3.5 Metadata ................................................................. 5-39
§ 5:4 Direct Access ............................................................ 5-43
§ 5:5 Identification Requirements ....................................... 5-46
§ 5:6 Inaccessible Sources .................................................. 5-48
§ 5:7 Initial Disclosures ....................................................... 5-53
## Chapter 6  Collection of Electronically Stored Information

*Michael E. Lackey, Jr. & Ethan Hastert*

| § 6:1  | Introduction | 6-2 |
| § 6:2  | Legal Requirements | 6-2 |
| § 6:2.1 | Meeting Discovery Obligations | 6-3 |
| § 6:2.2 | Overcoming Claims of Under-Collection | 6-6 |
| § 6:2.3 | Ensuring the Admissibility of Collected ESI | 6-8 |
| § 6:3  | Overview of the Collection Process | 6-10 |
| § 6:3.1 | Who Should Collect? | 6-11 |
| § 6:3.2 | What Should Be Collected? | 6-11 |
| § 6:3.3 | When Should Collection Occur? | 6-12 |
| § 6:3.4 | Where Should the Collection Team Look for Relevant ESI? | 6-13 |
| § 6:4  | Basic Collection Process | 6-14 |
| § 6:4.1 | Locating Relevant Files | 6-14 |
|   [A]  | Overview of Automated Search Methods | 6-16 |
|   [B]  | Choosing a Search Method | 6-18 |
|   [C]  | Designing the Query | 6-19 |
| § 6:4.2 | Common Data Types | 6-21 |
|   [A]  | Basic Data Files | 6-21 |
|   [B]  | Email Journaling | 6-22 |
|   [C]  | Instant Message Logging | 6-22 |
|   [D]  | Application Metadata and Version Control | 6-23 |
|   [E]  | Databases | 6-24 |
| § 6:4.3 | Handling Identical and Distinct Files | 6-26 |
| § 6:4.4 | Storing Collected ESI | 6-27 |
| § 6:5  | Challenges to Collection | 6-28 |
| § 6:5.1 | Privacy Concerns | 6-28 |
| § 6:5.2 | Reasonable Accessibility | 6-30 |
|   [A]  | Active, Online Data | 6-32 |
|   [B]  | Near-Line Data | 6-34 |
|   [C]  | Offline Storage and Archives | 6-34 |
|   [D]  | Backup Tapes | 6-36 |
|   [E]  | Erased, Fragmented, or Damaged Data | 6-38 |
| § 6:5.3 | Unsearchable Data | 6-40 |
|   [A]  | Nontextual Data | 6-40 |
|   [B]  | Unknown and Unsupported File Types | 6-42 |
|   [C]  | Compressed and Encrypted Files | 6-42 |
|   [D]  | Corrupt Files | 6-43 |
Chapter 7  Review and Production of Electronically Stored Information

Michael E. Lackey, Jr., Rebecca S. Kahan, Gabrielle Butcher, Patrick Garbe, & Allisa Vermillion

§ 7:1  Introduction ................................................................. 7-2
§ 7:2  Review Application Options .......................................... 7-3
§ 7:2.1 Pre-Review Considerations ........................................ 7-3
§ 7:2.2 Selecting a Review Tool ............................................. 7-4
§ 7:2.3 Technology-Assisted Review and Predictive Coding ......................................................... 7-5
§ 7:2.4 Managing Costs ....................................................... 7-7
§ 7:3  Requests for Production and Responses ............................ 7-10
§ 7:3.1 Requests for Production .......................................... 7-10
[A] The 2006 Amendments ............................................. 7-11
[B] Drafting the Request ................................................... 7-14
§ 7:3.2 Responses ............................................................... 7-16
[A] Applicable Rules ....................................................... 7-16
[B] Best Practices ............................................................ 7-20
§ 7:4  Preemptive Court Access .............................................. 7-21
§ 7:4.1 Amended Federal Rules ........................................... 7-21
§ 7:4.2 Early Preservation Orders ....................................... 7-23
§ 7:4.3 Letter Requests and Expedited Discovery ................. 7-28
§ 7:4.4 Ex Parte Orders ....................................................... 7-29
§ 7:5  Cost-Shifting and Allocation .......................................... 7-31
§ 7:5.1 Rule 26 ..................................................................... 7-31
§ 7:5.2 The Zubulake and McPeek Tests ............................... 7-33
§ 7:5.3 Cost-Shifting Trends ............................................... 7-35
§ 7:5.4 Award of Costs for E-Discovery Under Rule 54(d)(1) and 28 U.S.C. § 1920(4) ........... 7-39
§ 7:5.5 Best Practices .......................................................... 7-40
§ 7:6  Privilege and Work Product Review ............................... 7-42
§ 7:6.1 Pre-Review Preparation ............................................. 7-44
[A] ESI Collection ............................................................ 7-44
[B] Privilege Review Work Flow ........................................... 7-44
§ 7:6.2 Defining the Privilege ............................................... 7-46
[A] Attorney-Client Privilege ............................................. 7-46
[B] Work Product Doctrine ............................................... 7-49
§ 7:6.3 Privilege Log ............................................................. 7-50
§ 7:6.4 Waiver ................................................................. 7-51
§ 7:7  Form of Production ...................................................... 7-54
§ 7:8  Production of ESI to Multiple Parties, Including Public Entities ........................................ 7-56
§ 7:8.1 Applicable Rules ....................................................... 7-57
§ 7:8.2 Risks ................................................................... 7-58
Chapter 8  Third-Party Practice

Anthony J. Diana, Therese Craparo, Andrew J. Calica, & Jarman D. Russell

§ 8:1  Introduction ......................................................... 8-2
§ 8:2  Preservation Obligations of a Third Party ..................... 8-3
  § 8:2.1  The Obligation Is Limited ..................................... 8-3
  § 8:2.2  Triggering the Obligation ..................................... 8-5
  § 8:2.3  Scope of the Obligation ....................................... 8-6
§ 8:3  Production Obligations of a Third Party ....................... 8-8
  § 8:3.1  Rule 45 and Requests for Production of ESI ............ 8-8
  § 8:3.2  Third-Party Production of ESI and Cost-Shifting ... 8-12
§ 8:4  Lifting Legal Holds for Third-Party Subpoenas ............. 8-17
§ 8:5  Best Practices ...................................................... 8-19
  § 8:5.1  Best Practices for Third Parties Subject to Subpoena ... 8-19
    [A]  Consider Whether the Organization Will Become a Party to the Litigation 8-19
    [B]  Raise Objections Quickly ...................................... 8-19
    [C]  Act Promptly to Comply with the Subpoena ............... 8-20
    [D]  Negotiate Limitations on Preservation and Production ........................................ 8-20
    [E]  Take Appropriate Steps to Lift Legal Holds Related to the Subpoena .............. 8-20
  § 8:5.2  Best Practices for Party Requesting Documents from a Third Party ...................... 8-20
    [A]  Use a Court Order to Preserve Documents ............... 8-20
    [B]  Negotiate Scope of a Request Before It Is Served .............................................. 8-21
    [C]  Draft Narrow Requests ........................................ 8-21
    [D]  Negotiate Limitations on Preservation and Production ........................................ 8-21
Chapter 9  Regulatory and Government Investigations and Actions

Anthony J. Diana, Michael E. Lackey, Jr., Therese Craparo, Michelle N. Webster, & Andrew J. Calica

§ 9:1 Introduction................................................................. 9-1
§ 9:2 Preservation Obligations................................................. 9-4
  § 9:2.1 Criminal Penalties As a Means of Enforcement........................................ 9-6
  § 9:2.2 Record-Keeping Regulations As a Means of Enforcement........................................ 9-7
§ 9:3 Formulating a Preservation and Collection Plan.............. 9-11
  § 9:3.1 Planning to Respond to a Government Subpoena........................................ 9-13
  § 9:3.2 Planning to Respond to a Second Request.............. 9-13
§ 9:4 Meet-and-Confer Process.............................................. 9-14
§ 9:5 Productions................................................................... 9-15
§ 9:6 Lifting Legal Holds ....................................................... 9-16
§ 9:7 Development of a Discovery Protocol........................................ 9-19
§ 9:8 Criminal Investigations ................................................. 9-19

Chapter 10  Managing Spoliation Claims and Defenses

Michael Gill & Robert Entwisle

§ 10:1 Introduction.................................................................. 10-2
§ 10:2 Legal Standards............................................................. 10-4
  § 10:2.1 Court Authority to Impose Spoliation Sanctions........ 10-4
    [B] Inherent Authority...................................................... 10-5
    [C] Statutory Authority...................................................... 10-6
  § 10:2.2 Due Process Limitations......................................... 10-8
  § 10:2.3 The Spoliation Standard........................................... 10-9
    [A] Culpability ................................................................ 10-10
    [A][1] Willful or Bad Faith Spoliation................................. 10-10
    [A][2] Negligent Spoliation.................................................. 10-11
    [B] Prejudice .................................................................. 10-12
    [C] Rule 37 Safe Harbor..................................................... 10-12
§ 10:3 Prosecution of Spoliation Claims.............................. 10-14
  § 10:3.1 Potential Impact of Spoliation Claims...................... 10-14
    [A] Tactical Effects......................................................... 10-14
    [B] Spoliator’s Loss of Credibility...................................... 10-15
    [C] Sanctions .................................................................. 10-16
    [C][1] Monetary Sanctions.................................................. 10-17
Table of Contents

[C][1][a] Fines ............................................................... 10-18
[C][1][b] Fees ................................................................. 10-19
[C][1][c] Cost-Shifting................................................... 10-20
[C][2] Adverse Inference ............................................... 10-21
[C][2][a] Intent.............................................................. 10-24
[C][2][b] Content .......................................................... 10-26
[C][3] Striking Pleadings............................................... 10-26
[C][4] Exclusion of Evidence......................................... 10-27
[C][5] Loss of Attorney-Client Privilege or
       Work Product Protection .................................... 10-28
[C][6] Dismissal or Default Judgment.......................... 10-29
§ 10:3.2 Discovery and Perfection of Spoliation Claims.... 10-32
[A] First Day Letters ................................................... 10-32
[B] Court Orders and Preservation Statutes ............... 10-33
[C] Depositions and Third-Party Discovery................ 10-34
[D] Experts .................................................................. 10-36
§ 10:4 Defending Spoliation Claims.............................. 10-36
§ 10:4.1 Scope of Preservation Obligation .......................... 10-36
[A] Implementation of the Litigation Hold ................ 10-37
[B] Timing and Scope of the Litigation Hold ............. 10-38
[B][1] Audio Recordings................................................ 10-39
[B][3] Backup Tapes...................................................... 10-39
§ 10:4.2 Traps for the Unwary Litigator ......................... 10-40
[B] Automated Email Deletion ................................... 10-41
[C] Ephemeral Storage Issues...................................... 10-42
[D] “Control” over ESI ................................................ 10-43
§ 10:4.3 Proper Documentation ......................................... 10-45
§ 10:5 Expedited Access to Courts ................................. 10-45

Chapter 11 Electronic Discovery in Specific Areas of Practice

Anthony J. Diana, Sharon A. Israel, Violeta Balan, &
Kyle E. Friesen

§ 11:1 Introduction .......................................................... 11-2
§ 11:2 Accountants’ Liability........................................ 11-3
§ 11:2.1 Nature of Discovery ............................................ 11-3
§ 11:2.2 Relevant Data Sources ...................................... 11-3
§ 11:2.3 Issues Regarding Preservation and Production...... 11-4
§ 11:3 Antitrust ........................................................... 11-5
§ 11:3.1 Nature of Discovery .......................................... 11-5
§ 11:3.2 Relevant Data Sources .................................... 11-6
§ 11:3.3 Issues Regarding Preservation and Production...... 11-6
§ 11:4 Bankruptcy ................................................................. 11-7
§ 11:4.1 Nature of Discovery .................................................. 11-7
§ 11:4.2 Relevant Data Sources .............................................. 11-8
§ 11:4.3 Issues Regarding Preservation and Production .......... 11-9
§ 11:5 Class Actions ............................................................ 11-11
