PART I
THE BASICS

Chapter 1: Basics of Leasing
Ian Shrank

§ 1:1 Introduction........................................................................................................... 1-2
§ 1:2 Historical Background ....................................................................................... 1-2
  § 1:2.1 Antecedents to Leasing ............................................................................. 1-2
  § 1:2.2 Modern Era ............................................................................................... 1-5
§ 1:3 What Is a Lease? ............................................................................................... 1-8
  § 1:3.1 True Lease Concepts ............................................................................... 1-8
  § 1:3.2 Basic Lease Issues .................................................................................... 1-9
  § 1:3.3 Net Versus Operating Leases ................................................................... 1-10
§ 1:4 Why Engage in Leasing? ................................................................................ 1-12
  § 1:4.1 Limited Need and Residual Risk ......................................................... 1-12
  § 1:4.2 Accounting Benefits .............................................................................. 1-13
  § 1:4.3 Tax Advantages ...................................................................................... 1-14
  § 1:4.4 Other Lessee Motivations ...................................................................... 1-16
  § 1:4.5 Other Lessor Motivations ...................................................................... 1-17
  § 1:4.6 Lender Motivations ............................................................................... 1-18
§ 1:5 Structure of a Typical Leveraged Lease ....................................................... 1-19
  § 1:5.1 Simple Version ....................................................................................... 1-19
  § 1:5.2 Use of Trustees ....................................................................................... 1-19
  § 1:5.3 Mechanics of the Leveraged Lease ....................................................... 1-22
§ 1:6 Other Structures ............................................................................................. 1-24
§ 1:7 How Does a Lease Happen? ......................................................................... 1-24
Chapter 2: General Governing Law: U.C.C. Articles 1, 2A, and 9
Robert D. Strauss

§ 2:1 U.C.C. Article 2A—Leases ...................................................... 2-2
§ 2:1.1 Background and Scope of U.C.C. Article 2A .............. 2-2
§ 2:1.2 Comparison of Articles 2 and 2A .............................. 2-4
§ 2:1.3 Freedom of Contract ...................................................... 2-4
§ 2:1.4 Definition of True “Lease” .............................................. 2-4
  [A] Why the Definition Is Necessary.............................. 2-4
  [B] What the Definitions of “Lease” and “Security Interest” Cover, and What They
      Do Not Cover ................................................................ 2-6
[C] TRAC Leases—An Unfortunate Aberration ............... 2-10
§ 2:1.5 Warranty Liability of Lessors; Treatment of
      “Finance Lessors” ......................................................... 2-11
  [A] Warranty Rules for Leases Before Adoption of
      Article 2A .................................................................. 2-11
  [B] Warranty Rules Under U.C.C. Article 2A ......... 2-12
  [C] U.C.C. Article 2A's Definition of
      “Finance Lease” .......................................................... 2-13
  [D] Practical Implications ............................................... 2-13
§ 2:1.6 Nonbankruptcy Enforcement, Remedies, and
      Damages for Lessor's and Lessee's ............................ 2-14
  [A] Why Article 2A Needed to Cover Remedies.......... 2-14
  [B] How Article 2A Covers the Lessor’s Remedies...... 2-15
  [C] Lessee’s Remedies for Lessor’s Breach .......... 2-21
  [D] Drafting Recommendations .................................. 2-22
§ 2:1.7 Fixtures and Accessions .................................................. 2-22
  [A] Fixtures .................................................................... 2-22
  [B] Accessions ............................................................... 2-24
§ 2:1.8 Filing Requirements ...................................................... 2-24
§ 2:1.9 Limits on Assignment and Subleasing .................. 2-25
  [A] “Conspicuousness” Requirement in 1987
      (Unamended) Text ...................................................... 2-25
  [B] Anti-Anti-Assignment Rules ..................................... 2-25
  [C] Effect on Lease or Lease Portfolio Lenders .......... 2-26
§ 2:1.10 Miscellaneous Provisions of Article 2A .................. 2-26
  [A] Statutory “Hell or High Water” Clause .......... 2-26
  [B] “Vendor in Possession” Laws ................................. 2-28
  [C] Priorities in Favor of (Sub)Lessees in the
      Ordinary Course of Business................................. 2-28
  [D] Separate Signature for “No Oral Modifications”
      Clause ................................................................. 2-28
Table of Contents

[E] Risk of Loss............................................................. 2-29
[F] “Proceeds” of Equipment Collateral........................ 2-29
§ 2:1.11 Unresolved Issues in Article 2A ..................... 2-29
§ 2:1.12 Proposed 2003 Amendments to Article 2A ......... 2-30
§ 2:2 Assignment of Leases; Assignment or Purchase of
Lease Rentals .............................................................. 2-31
§ 2:2.1 Applicability of Article 9 to Assignments .......... 2-31
[A] Perfection As to the Lessor’s Rights in the Lease... 2-31
[B] Perfection As to the Leased Goods ......................... 2-32
[C] Perfection Against the Lessee.............................. 2-32
[D] Lessee’s Consent to Assignment.......................... 2-32
§ 2:2.2 Waiver of Defenses Clauses; “Hell or
High Water” Clauses ............................................. 2-33
[A] “Close-Connectedness” Doctrine........................ 2-35
§ 2:3 U.C.C. § 1-203.......................................................... 2-35

Chapter 3: Tax Considerations

Michael G. Robinson

§ 3:1 Introduction......................................................... 3-6
§ 3:2 Tax Ownership—True Lease .............................. 3-11
§ 3:2.1 Fundamentals ..................................................... 3-11
§ 3:2.2 Legal Background ............................................. 3-12
[A] Supreme Court ....................................................... 3-12
[B] Other Courts......................................................... 3-15
[C] IRS ....................................................................... 3-16
§ 3:2.3 Issues ................................................................. 3-19
[A] Initial Equity Investment .......................................... 3-21
[A][1] Legal Background ............................................. 3-22
[A][2] Guidelines Formulation of Initial Equity
Investment Requirement ............................................. 3-26
[A][3] Refinements of Initial Investment
Requirement: “Unconditional Investment”;
“No Return” .............................................................. 3-27
[A][3][a] Background and Legal Context........................ 3-27
[A][4] “Unconditional Obligation” ................................ 3-29
[A][4][a] Common Problems ........................................ 3-29
[A][4][b] “Deferred Equity” Arrangements ..................... 3-31
[A][5] No Return of Minimum Investment .................. 3-32
[A][5][a] Casualty and Default Provisions ....................... 3-32
[A][5][b] Voluntary Termination by Lessee .................... 3-34
[A][5][c] “Return” by Non-Lessee-Group Person/
Third-Party Residual Value Insurance................. 3-34

(Equipment Leasing, Rel. #10, 3/15) xiii
[B] Lessor’s Continuing Investment in the Property During the Term of the Transaction........... 3-36
[B][1] Method of Analysis: Form of Presentation........... 3-38
[B][2] “Net Lease”............................................................ 3-39
[C] Investment at Lease Termination...................... 3-40
[C][1] Useful Life and Residual Value....................... 3-40
[C][2] Guidelines Requirements Regarding Residual Expectation................................. 3-41
[C][2][a] Removal Costs.................................................. 3-42
[C][2][b] Inflation............................................................ 3-43
[C][2][c] Case Law and Observations......................... 3-45
[C][3] End of Lease Term Renewal Rights.................. 3-46
[C][4] Evergreen and Wintergreen Renewal Options .... 3-49
[C][5] Lessee Purchase Options................................. 3-52
[C][6] Fixed-Price Purchase Options......................... 3-59
[C][6][a] End-of-Term Options........................................ 3-59
[C][6][b] Early Buyout Options...................................... 3-62
[C][6][c] Compulsion Issues......................................... 3-63
[C][7] Lessor Puts and Abandonment Rights............... 3-64
[D] Lessee Investment and Lessee Debt..................... 3-76
[D][1] Lessee Participation in Cost............................ 3-77
[D][1][a] Cost Overruns............................................... 3-78
[D][1][b] Determining Costs......................................... 3-79
[D][1][c] Transaction Costs........................................... 3-80
[D][2] Lessor’s Cost Versus Lessee’s Cost Versus Fair Market Value................................. 3-81
[D][3] Lessee Improvements.......................................... 3-86
[D][4] Lessee Loans and Debt Guarantees................... 3-90
[D][5] Other Lessee Involvement with Lessor’s Debt..... 3-94
[D][6] Lease Guarantees............................................... 3-96
[E] Limited Use Property........................................... 3-99
[F] Remarketing and Residual Fees......................... 3-103
[G] Economic Substance and Profit Motive................. 3-105
[G][1] Economic Substance—Case Law......................... 3-106
[G][2] Economic Substance—IRS Guidelines and Rulings........................................... 3-113
[G][3] Economic Substance—Code Section 7701[o]..... 3-116
[G][3][a] Applicability to Lease Transactions............ 3-117
[G][3][a][i] “Meaningful Change in Economic Position”........................................... 3-120
[G][3][a][ii] “Substantial Business Purpose”................ 3-121
§ 3:3 Ownership Issue—Form of Ownership.............. 3-124
### Table of Contents

§ 3:3.1 Owner Trustee As Owner-Lessor ........................................... 3-124  
   [A] Agency ................................................................... 3-125  
   [B] Grantor Trust.................................................. 3-125  
   [C] Business Entity—“Check-the-Box” ......................... 3-128  

§ 3:3.2 Subsidiary As Owner Participant .................................. 3-130  

§ 3:3.3 Multiple-Owner Participants .............................................. 3-131  

§ 3:3.4 Cotenancy and Separate Ownership ............................... 3-133  

§ 3:4 Tax Attributes ...................................................................... 3-138  

§ 3:4.1 Depreciation ...................................................................... 3-139  
   [A] Background ................................................................ 3-139  
   [B] MACRS ....................................................................... 3-143  
   [B][1] General Rules ................................................. 3-143  
   [B][2] First-Year Conventions ..................................... 3-144  
   [B][3] Placement in Service ........................................ 3-146  
   [B][4] Foreign-Use Property ........................................ 3-147  
   [B][5] Tax-Exempt Use Property ............................... 3-149  
   [B][6] Substitution and Replacement ........................... 3-150  
   [B][7] “Bonus Depreciation” ........................................ 3-150  
   [C] Leasehold Interest—Capital Recovery ..................... 3-152  

§ 3:4.2 Interest Expense and Other Debt Issues ....................... 3-153  
   [A] Interest Deduction ............................................... 3-153  
   [B] Withholding Tax Issues ........................................ 3-155  

§ 3:4.3 Transactions Costs .......................................................... 3-156  
   [A] Costs Incurred to Acquire the Leased Asset .......... 3-157  
   [B] Costs Incurred in Connection with Leasing  
       of an Asset ................................................................ 3-157  
   [C] Costs Incurred in Financing an Asset .................. 3-158  
   [D] Conclusion ............................................................. 3-158  

§ 3:4.4 Investment Credits (and Grants)—Renewable  
    Energy Property ............................................................. 3-159  
   [A] Investment Tax Credit for Energy Property .......... 3-160  
   [A][1] General Requirements—Energy Property ........ 3-161  
   [A][2] Limitations, Exclusions, and Further  
       Requirements ........................................................... 3-162  
   [A][2][a] Qualified Rehabilitation Expenditures .......... 3-162  
   [A][2][b] Property Used Predominantly Outside  
       the United States, and Tax-Exempt Use  
       Property .................................................................... 3-163  
   [B] Adjustments to Basis/Recapture ............................ 3-163  
   [C] Pass-Through Election ........................................ 3-164  
   [D] Government Grant in Lieu of Investment  
       Credit ........................................................................ 3-164  
   [D][1] General Requirements for the Grant ............... 3-164  
   [D][2] Pass-Through of the Grant.............................. 3-165
§ 3:4.5  Accounting for Rental Income; Code
Section 467 ........................................................... 3-166
[A]  Section 467—Background ..................................... 3-168
[B]  Section 467 Regulations—An Overview ............... 3-168
[C]  The Definition of a “Section 467 Rental Agreement” ........................................................... 3-169
[C][1]  Specific Allocation of Fixed Rent ...................... 3-169
[C][2]  Increasing or Decreasing Rents ....................... 3-171
[C][3]  Prepaid or Deferred Rents .................................. 3-171
[D]  The Treatment of “Section 467 Rental Agreements” .................................................................. 3-173
[D][1]  Disqualified Leaseback or Long-Term Agreement .................................................................... 3-174
[D][2]  Tax Avoidance As a Principal Purpose ............... 3-174
[D][2][a]  General Rule—A Question of Fact .................. 3-174
[D][2][b]  The Safe Harbors ............................................ 3-175
[D][3]  Applying the Uneven Rent Safe Harbor to a Lease ........................................................... 3-176
[D][3][a]  Average Annual Rent Allocated ..................... 3-176
[D][3][b]  Annual Rent Allocated .................................. 3-177
[D][3][c]  Treatment of Supplemental Rent .................... 3-178
[E]  Section 467 Loans................................................. 3-180
[E][1]  Section 467 Rent ................................................ 3-180
[E][1][a]  Proportional Accrual Method Rules .............. 3-180
[E][1][b]  Prepayments with “Adequate Stated Interest” .................................................................. 3-183
[E][2]  Section 467 Interest ........................................... 3-184
[F]  Floating Rate Debt and Refinancings .................... 3-185
[G]  Consequence of DLLTA Treatment ...................... 3-187
[H]  “Rent Stripping” ................................................... 3-189
§ 3:4.6  Like-Kind Exchanges ............................................. 3-192
[A]  Introduction .......................................................... 3-192
[B]  Basic Requirements of a Like-Kind Exchange ...... 3-193
[C]  Deferred Exchanges ............................................ 3-195
[D]  Gain Recognition .................................................. 3-197
[E]  Other Considerations ........................................... 3-197
§ 3:4.7  Foreign Tax Credit Issues ........................................... 3-198
[A]  Foreign-Source Losses ........................................ 3-198
[B]  Allocation of Interest Expense ......................... 3-200
§ 3:4.8  Other Foreign-Related Considerations .................. 3-201
[A]  Taxation of Foreign Currency Exchange Rate Gains and Losses ............................................ 3-201
§ 3:4.9  Alternative Minimum Tax ........................................... 3-205
§ 3:5  Disclosure and List-Keeping Rules, Tax Return Positions and Penalties ........................................... 3-206
Table of Contents

§ 3:5.1 Reportable Transaction Disclosure and List-Keeping Requirements ........................................... 3-207

[C] List-Keeping with Respect to Reportable Transactions [Code Section 6112] ......................... 3-214

§ 3:5.2 Penalties for Failure to Disclose or Failure to Maintain List [Code Sections 6707, 6707A, 6708].................................................................................................................. 3-216

§ 3:5.3 Other Penalty Provisions Applicable to Taxpayer’s Participation in Leasing Transaction... 3-218

[A] Substantial Understatement Penalty [Code Section 6662]......................................................... 3-218

[B] Reportable Transaction Understatements [Code Section 6662A] ............................................. 3-218

§ 3:6 Indemnification .......................................................................................................................... 3-220

§ 3:6.1 Special Tax Indemnity Agreement ......................................................................................... 3-220

§ 3:6.2 General Tax Indemnity .......................................................................................................... 3-230

Chapter 4: Accounting

Jeffrey H. Ellis

§ 4:1 Introduction .............................................................................................................................. 4-3

§ 4:2 Background .......................................................................................................................... 4-4

§ 4:3 Objectives ............................................................................................................................... 4-5

§ 4:4 Lease Classification .................................................................................................................. 4-6

§ 4:4.1 Definition of Terms ............................................................................................................. 4-6

§ 4:4.2 Criteria for a Capital Lease ................................................................................................ 4-7

§ 4:4.3 Lessee Classification ........................................................................................................... 4-7

§ 4:4.4 Lessor Classification ........................................................................................................... 4-8

§ 4:4.5 Criteria 1a, 1b, and 1c ........................................................................................................ 4-9

§ 4:4.6 Criterion 1d .......................................................................................................................... 4-10

§ 4:5 Lessee/Lessor Accounting and Disclosures ........................................................................... 4-10

§ 4:5.1 Lessee Accounting ............................................................................................................. 4-10

§ 4:5.2 Lessor Accounting .............................................................................................................. 4-11

§ 4:5.3 Disclosures .......................................................................................................................... 4-12

§ 4:5.4 Other Provisions .................................................................................................................. 4-13

§ 4:6 Implementation Problems ...................................................................................................... 4-14

§ 4:6.1 Part of a Building .................................................................................................................. 4-14

§ 4:6.2 Residual Value Guarantee ................................................................................................. 4-15

§ 4:6.3 Contingent Rents ................................................................................................................. 4-17

§ 4:6.4 Interest Rate Implicit in the Lease ........................................................................................ 4-19

(Equipment Leasing, Rel. #10, 3/15)
§ 4:6.5 Gain and Loss Recognition on Sale-Leasebacks...... 4-20
§ 4:6.6 Sale-Leasebacks of Real Estate ................................. 4-21
§ 4:6.7 Sale-Leasebacks of Integral Equipment ......................... 4-22
§ 4:6.8 Lease Term..................................................................... 4-23
§ 4:6.9 Leveraged Leases ......................................................... 4-24
§ 4:6.10 Variable Interest Entities and Consolidation
Issues ................................................................................... 4-25
[A] Impact of ASC Topic 810 on Leveraged Lease
Arrangements ......................................................................... 4-28
[B] Multi-Party Lease Transactions ........................................... 4-28
[C] International Convergence ................................................. 4-29
§ 4:6.11 Double-Dip Leases ......................................................... 4-29
§ 4:6.12 Leases Involving Government Facilities ...................... 4-30
§ 4:6.13 Initial Direct Costs ......................................................... 4-31
§ 4:6.14 Build-to-Suit Issues ......................................................... 4-32
§ 4:6.15 Environmental Indemnification ...................................... 4-34
§ 4:6.16 Events of Default ......................................................... 4-34
§ 4:6.17 Computer Hardware and Software ................................ 4-36
§ 4:6.18 Other FASB, EITF, and SEC Activity ......................... 4-37
[A] Changes in the Provisions of Lease Agreements
Resulting from Refundings of Tax-Exempt Debt .................. 4-37
[B] Inception of the Lease ......................................................... 4-37
[C] Profit Recognition on Sales-Type Leases of
Real Estate ............................................................................. 4-37
[D] Classification of Renewals or Extensions of
Existing Sales-Type or Direct Financing Leases ...... 4-38
[E] Accounting for Leases in a Business
Combination ........................................................................... 4-39
[F] Accounting for Purchase of a Leased Asset by
the Lessee During the Term of the Lease ....................... 4-39
[G] Accounting for a Loss on a Sublease ................................... 4-40
[H] Upward Adjustments of Guaranteed Residual
Values .................................................................................. 4-41
[I] Leases to Government Units ................................................. 4-41
[J] Accounting for an Interest in the
Residual Value of a Leased Asset .............................. 4-41
[K] Time Pattern of the Physical Use of
Property in an Operating Lease ........................................... 4-42
[L] Lease Incentives in an Operating Lease ............................. 4-43
[M] Applicability of Leveraged-Lease Accounting to
Existing Assets of the Lessor ............................................. 4-43
[N] Money-over-Money Lease Transactions ......................... 4-44
[O] Wrap Lease Transactions ................................................... 4-44
[P] Sales of Assets Subject to Operating Leases and
“Nondiscriminatory” Remarketing Agreements ..... 4-45
Table of Contents

[Q] Income Taxes .......................................................... 4-45
[R] Defeased Lease Obligations..................................... 4-45
[S] Lessee Recognition of Guarantees and Indemnifications..................................................... 4-46
[T] Residual Value Insurance ........................................ 4-47
[U] Determining When a Service or Supply Contract Contains a Lease ..................................... 4-47
[V] Identifying Intangible Assets in Acquisition of Income-Producing Properties ................. 4-48
[W] Period for Amortizing Leasehold Improvements.. 4-49
[X] Changes in the Timing of Cash Flows Relating to Income Taxes Generated by a Leveraged Lease................................................................. 4-50
[Y] Accounting for Maintenance Services................. 4-51
§ 4:7 Symmetry ..................................................................... 4-52
§ 4:8 Future Outlook ............................................................. 4-53
Appendix 4A Lessee Lease Classification Flow Chart...... App. 4A-1
Appendix 4B Lessor Lease Classification Flow Chart........App. 4B-1
Appendix 4C FASB Statements, Interpretations, Technical Bulletins and Staff Positions, and Leasing-Related Issues of the FASB’s Emerging Issues Task Force Incorporated into ASC Topic 840 ...................................App. 4C-1

Chapter 5: The Economics of Leveraged Leasing

James C. Ahlstrom, Iris C. Engelson & Victor Sirelson

§ 5:1 Introduction.................................................................... 5-2
§ 5:2 The Classic U.S. Leveraged Lease................................... 5-3
§ 5:2.1 Before-Tax Analysis ................................................... 5-4
§ 5:2.2 Tax Benefits............................................................... 5-4
§ 5:2.3 After-Tax Yield .......................................................... 5-7
§ 5:2.4 Before-Tax Yield ...................................................... 5-10
§ 5:2.5 Effective Yield.......................................................... 5-10
§ 5:2.6 Book Earnings......................................................... 5-11
§ 5:2.7 Sinking Fund Risk .................................................. 5-12
§ 5:2.8 Residual Value Risk............................................... 5-13
§ 5:2.9 Credit Risk.............................................................. 5-13
§ 5:2.10 Tax Rate Change Risk............................................. 5-14
§ 5:2.11 Tax Base Risk........................................................ 5-15
§ 5:2.12 Alternative Minimum Tax Risk.............................. 5-15
§ 5:2.13 Termination Values ................................................. 5-16
§ 5:2.14 Early Buyout Option ............................................... 5-16
§ 5:2.15 IRS Guidelines....................................................... 5-17
§ 5:3 Rent and Debt Structuring ........................................... 5-19
§ 5:3.1 Linear Programming Models................................... 5-20
§ 5:3.2 Mathematical Framework for Linear Programming .................. 5-21
§ 5:3.3 Integer Programming Models.................................. 5-23
§ 5:4 Specialized Lease Structures ......................................... 5-25
§ 5:4.1 467 Regulations ...................................................... 5-25
§ 5:4.2 Effect of ITC ........................................................... 5-28
§ 5:5 Search for Higher Yields ............................................... 5-28
§ 5:6 Return on Equity and Assets ........................................ 5-31
§ 5:7 Mathematics of Yield.................................................... 5-32
§ 5:7.1 The Meaning of Yield ............................................. 5-35
§ 5:8 Lessee Economics ......................................................... 5-39
§ 5:8.1 Lease Capitalization................................................ 5-41
§ 5:8.2 The Lessee’s Rent Cost Comparison .......................... 5-41
§ 5:8.3 Lease-Buy Analysis.................................................. 5-42
Appendix 5A Example Reports ........................................ App. 5A-1

Chapter 6: Documentation
Ian Shrank
§ 6:1 Introduction.................................................................... 6-6
§ 6:2 Term Sheet or Commitment Letter .................................. 6-7
§ 6:2.1 Preliminary Proposal................................................. 6-7
§ 6:2.2 Letter of Intent.......................................................... 6-8
§ 6:2.3 Commitment Letter.................................................. 6-8
§ 6:2.4 When Is a Preliminary Document Legally Binding? ............ 6-11
§ 6:2.5 Commitment Letter Text............................................. 6-13
[B] Appraisal................................................................ 6-14
[C] Economics............................................................... 6-14
[D] Who Drafts?............................................................ 6-15
[E] Closing Conditions..................................................... 6-16
§ 6:3 Participation Agreement ............................................... 6-16
§ 6:3.1 Commitments of the Parties................................... 6-16
[A] Mechanics............................................................... 6-16
[B] Delayed Closing...................................................... 6-17
[C] Uncertain Purchase Price........................................ 6-18
[D] Best Efforts.............................................................. 6-18
§ 6:3.2 Conditions to Closing............................................. 6-20
[A] Corporate Formalities............................................ 6-20
[B] Documentation Conditions....................................... 6-21
[C] Title Issues.............................................................. 6-21
### Table of Contents

[D] Liens ................................................................................. 6-22  
[E] Insurance ......................................................................... 6-23  
[F] Legal Opinions ............................................................... 6-23  
[G] Appraisal ........................................................................ 6-26  
[H] Other Conditions ............................................................. 6-27  

§ 6:3.3 Indemnities ............................................................... 6-27  
[A] General Indemnity Scope .............................................. 6-28  
[B] General Indemnity Procedure ......................................... 6-30  

§ 6:3.4 Representations and Warranties .................................. 6-32  
[A] Lessee Representations ................................................. 6-32
