Chapter 1  Introduction .................................................................................................. 1
  Q 1.1  When is a company in “financial distress”? ...................................................... 2
    Q 1.1.1  What are some of the warning signs of impending financial distress? ........ 3
    Q 1.1.2  How is cash flow an important warning sign? ........................................... 4
    Q 1.1.3  How is financing activity another important warning sign? ....................... 5
    Q 1.1.4  How can availability of a company’s revolving credit facility be affected by its financial distress? ................................................................. 6
    Q 1.1.5  Who is in the best position to recognize signs of impending financial distress? ......................................................................................................................... 5
    Q 1.1.6  What are some of the consequences of triggering a default under a loan agreement, bond indenture or material contract? .......................................................... 7
    Q 1.1.7  What is a “cross-default”? ................................................................. 7
    Q 1.1.8  What is a financial covenant? ............................................................. 8
    Q 1.1.9  When is a financial covenant for a specific reporting period breached? .......... 8
    Q 1.1.10  Is it typical that lenders or bondholders are entitled to exercise remedies individually? ................................................................. 9
  Q 1.2  Why is it critical for a company to acknowledge that it is in financial distress? ................................................................................................................................. 10
  Q 1.3  Why is it important for vendors and other creditors to recognize financial distress? ......................................................................................................................... 10
  Q 1.4  Why is a “going concern” qualification important? ........................................ 10
  Q 1.5  Can a solvent company be in financial distress? ........................................... 11
  Q 1.6  Do the fiduciary duties of directors and officers change when a company is in financial distress? ................................................................. 12
    Q 1.6.1  What is the “zone of insolvency”? ......................................................... 12
Q 1.6.2 What should directors and officers do to protect themselves when the company begins to experience financial distress?.................................13

Q 1.7 Is a company required to disclose publicly that it is in financial distress?.............................................................................................................14

Chapter 2 Creditor Rights.............................................................................17

Q 2.1 Which laws affect a creditor’s rights when dealing with a distressed company?.................................................................................................18

Q 2.2 What rights does a supplier have to reclaim delivered goods from a financially distressed company?..................................................19

Q 2.2.1 What is the process for reclamation?........................................19

Q 2.2.2 Are there limitations on a seller’s right to reclamation?......20

Q 2.2.3 Do a creditor’s reclamation rights change if its buyer files for bankruptcy protection?..............................................................20

Q 2.3 May a contract party terminate its contract with a distressed debtor? ..............................................................................................................21

Q 2.4 May a creditor change payment terms for a financially distressed company?.................................................................................................21

Q 2.5 What is a forbearance?........................................................................21

Q 2.6 What is a waiver?..............................................................................22

Q 2.7 What is a creditor’s reservation of rights?.......................................22

Q 2.8 What is “perfection” of a lien or security interest? ................22

Q 2.9 May a creditor file an involuntary bankruptcy petition against a financially distressed company?................................................23

Q 2.9.1 What are the risks for a creditor that commences an involuntary bankruptcy case?..............................................................23

Q 2.10 What is foreclosure?..........................................................................24

Q 2.10.1 What are the differences between a real estate foreclosure and a personal property (UCC) foreclosure?........................................24

Q 2.10.2 What is a “deed in lieu of foreclosure”?..................................25

Q 2.10.3 What is an assignment for the benefit of creditors?...........25

Q 2.11 What is a receiver or a receivership? ........................................26

Q 2.12 May a creditor exercise control over the business or financial affairs of a financially distressed company?...............................26

Q 2.12.1 What is “lender liability”?..........................................................26

Q 2.13 What is an intercreditor agreement?........................................27

Q 2.13.1 Why do creditors enter into intercreditor agreements?......27
Table of Contents

Q 2.13.2 What are some common provisions in intercreditor agreements? .......................................................... 28
Q 2.13.3 What is a payment block? .......................................................... 28
Q 2.13.4 In what ways does an intercreditor agreement subordinate the claim of one creditor to another creditor? ........................................................................................................... 28
Q 2.13.5 What are the differences between lien subordination and payment subordination? ....................................................... 28
Q 2.13.6 Are intercreditor agreements enforceable in bankruptcy? ....................................................................................... 29
Q 2.13.7 What provisions do senior creditors ordinarily seek to include in an intercreditor agreement? .......................................................... 30
Q 2.13.8 What provisions do junior creditors ordinarily seek to include in an intercreditor agreement? .......................................................... 31

Chapter 3 Out-of-Court Restructurings ....................................................... 33
Q 3.1 What alternatives does a financially distressed company have if it would like to avoid bankruptcy? ....................................................... 34
Q 3.2 What parties may be involved in negotiating an out-of-court restructuring? .......................................................... 34
Q 3.3 How can a loan be restructured out of court? ....................................................... 35
Q 3.4 How can public securities be restructured out of court? ....................................................... 37
Q 3.4.1 Are there disclosure requirements for a registered or an unregistered exchange offer? ....................................................... 37
Q 3.5 What is the difference between an out-of-court loan restructuring or exchange offer and a “preplanned” bankruptcy? ....................................................... 38
Q 3.6 What are some of the advantages and disadvantages of an out-of-court restructuring as compared to a Chapter 11 restructuring? ....................................................... 39
Q 3.7 What documentation may be required in an out-of-court restructuring? ....................................................... 40
Q 3.8 What limitations might a “change-of-control” provision present in an out-of-court restructuring? ....................................................... 41
Q 3.9 Can a company effectuate a cross-border restructuring without a bankruptcy filing? ....................................................... 42
Q 3.9.1 What considerations may be important in a cross-border restructuring? ....................................................... 42
Q 3.10 Are there disclosure requirements in an out-of-court restructuring? ....................................................... 43
Chapter 4 Introduction to Bankruptcy ..........................................................45
Q 4.1 What are the principal goals of U.S. bankruptcy law? ..............46
Q 4.2 How do U.S. bankruptcy laws differ from foreign bankruptcy or insolvency laws? .............................................................46
Q 4.3 What types of relief are available under the various chapters of the U.S. Bankruptcy Code? .................................47
Q 4.4 What are the primary concepts in U.S. bankruptcy law? .......47
Q 4.4.1 What is the “automatic stay”? ..............................................48
Q 4.4.2 What is a “discharge” of claims in bankruptcy? ..................48
Q 4.5 Who are the principal parties in a Chapter 11 case? ..............48
Q 4.6 What is the role of a bankruptcy judge? .................................48
Q 4.7 What is the role of the Office of the U.S. Trustee? ..........49
Q 4.8 What is the role of the official committee of unsecured creditors? ........................................................................50
Q 4.9 What other official committees may be involved? ..............50
Q 4.10 What are “ad hoc” committees, and what is their role? ........51
Q 4.11 What information do the Bankruptcy Rules require members of a committee to disclose? ...........................................51
Q 4.12 What is the role of a debtor’s board of directors and management? ........................................................................52
Q 4.13 What is the role of a debtor’s secured prepetition lenders? ....52
Q 4.14 What is the role of a party providing debtor-in-possession financing? ........................................................................53
Q 4.15 What is the role of a Chapter 11 trustee, if appointed? .........53
Q 4.16 What is the role of an examiner, if appointed? ......................53
Q 4.17 What is the role of the Pension Benefit Guaranty Corporation? 54
Q 4.18 What is the role of a patient care ombudsman, if appointed? ....54

Chapter 5 Commencement of Chapter 11 Case ........................................57
Q 5.1 How is a Chapter 11 case commenced? .................................58
Q 5.1.1 How does a company voluntarily commence a Chapter 11 case? .................................................................58
Q 5.1.2 May a company’s creditors file an involuntary Chapter 11 case? ........................................................................59
Q 5.1.3 How are affiliate bankruptcies treated? ...............................61
Q 5.2 In what venue may a company file its Chapter 11 case? ........62
Q 5.2.1 Once a Chapter 11 case has been filed in a particular proper venue, can it be moved to a bankruptcy court in a different state or district? ..........................63
<table>

Chapter 6 Corporate Governance in Chapter 11

Q 6.1 What are the primary differences between corporate governance before and during a Chapter 11 bankruptcy case? 

Q 6.2 What are the directors’ and officers’ fiduciary duties in bankruptcy? 

Q 6.2.1 What are the duties of directors and officers in a case with multiple debtors? 

Q 6.3 Does the “business judgment rule” apply in bankruptcy? 

Q 6.4 Does the board of directors meet during a bankruptcy case? 

Q 6.4.1 Are there any restrictions on a board of directors’ ability to authorize corporate action? 

Q 6.5 How does bankruptcy affect the rights of the company’s shareholders to control the company? 

Q 6.6 What influence does a shareholder have over management of the debtor in bankruptcy? 

Q 6.7 What restrictions exist for shareholders’ annual meetings during bankruptcy? 

Q 6.8 Is a debtor required to comply with SEC reporting requirements? 

Q 6.9 Is a debtor required to file tax returns? 

Q 6.10 Is a debtor required to comply with the Sarbanes-Oxley disclosure requirements? 

Q 6.11 Are there additional reporting requirements mandated by the Bankruptcy Code or Bankruptcy Rules? 

Q 6.12 What oversight role does the court have over corporate governance in a bankruptcy case? 

Q 6.12.1 What standard does a court use to review the decisions of a debtor? 

Q 6.13 What other parties have an oversight role in a bankruptcy case? 

Q 6.14 What are the procedures for hiring and terminating directors and officers? 

Q 6.15 What is a “chief restructuring officer”? 

Q 6.15.1 What are a chief restructuring officer’s duties? 

Q 6.16 Are directors compensated in bankruptcy? 

Q 6.17 How are director and officer insurance policies treated in bankruptcy?
Chapter 7 First-Day Motions ................................................................. 87
Q 7.1 What are “first-day motions”? .................................................. 88
Q 7.2 Why are first-day motions important? ...................................... 88
Q 7.3 When are first-day motions granted? ....................................... 89
Q 7.4 What are “second-day motions”? ........................................... 90
Q 7.5 What is the “necessity of payment” rule? ............................. 90
Q 7.6 What are the notice requirements for first-day motions? ....... 91
Q 7.7 How do parties in interest obtain copies of first-day motions? ... 92
Q 7.8 What is a “first-day affidavit”? ............................................. 92
Q 7.9 What are typical administrative first-day motions? .................. 93
 Q 7.9.1 What is a joint administration motion? ............................ 93
 Q 7.9.2 What is an extension for schedules motion? ...................... 94
 Q 7.9.3 What is a consolidated lists motion? .................................. 94
 Q 7.9.4 What is a case management motion? ............................... 94
 Q 7.9.5 What is a motion for an automatic stay “comfort order”? .... 94
 Q 7.9.6 What is an interim compensation motion? ....................... 95
Q 7.10 What are typical first-day motions seeking to continue supplier relations? ................................................................. 96
 Q 7.10.1 What is an essential-suppliers or critical-vendors motion? ... 96
 Q 7.10.2 What is a foreign creditors motion? ................................ 97
 Q 7.10.3 What is a reclamation procedures motion? ...................... 97
 Q 7.10.4 What is a shipping, storage and customs motion? .......... 97
 Q 7.10.5 What is a lien claimants motion? .................................... 98
Q 7.11 What are typical first-day motions seeking to prevent disruption to the business operations of the debtor? ............... 98
 Q 7.11.1 What is a cash management motion? .............................. 98
 Q 7.11.2 What is a customer programs motion? ........................... 99
 Q 7.11.3 What is a prepetition sales, use and other taxes motion? .... 99
 Q 7.11.4 What is a claims trading motion? ................................... 100
 Q 7.11.5 What is a utilities motion? ........................................... 100
Q 7.12 What are typical first-day motions seeking to preserve employee relations? ................................................................. 101
Q 7.13 What are typical first-day applications to retain professionals? ... 101
Q 7.14 What are typical first-day motions related to financing? .......... 102
 Q 7.14.1 What is a DIP financing motion? ................................... 102
 Q 7.14.2 What is a cash collateral motion? .................................. 103
Chapter 8  Financing in Chapter 11 ..............................................................105
Q 8.1   What is meant by “DIP financing”? .......................................................106
Q 8.2   Why does a company in Chapter 11 need DIP financing? ..................106
Q 8.3   Why would a lender make a loan to a Chapter 11 debtor? .................106
Q 8.4   When does the debtor ordinarily obtain a commitment
for DIP financing? ....................................................................................107
Q 8.5   What is cash collateral? ......................................................................107
Q 8.6   May a Chapter 11 debtor use cash collateral? ......................................108
Q 8.7   What is “adequate protection”? .............................................................108
  Q 8.7.1 What if adequate protection turns out to be deficient? ..................109
Q 8.8   What is a “roll up” DIP? ......................................................................109
Q 8.9   What does “cross-collateralization” mean? ...........................................109
Q 8.10  What is a “priming” DIP? .....................................................................110
Q 8.11  Does DIP financing need to be approved by the
bankruptcy court? .....................................................................................110
Q 8.12  What is an interim order for DIP financing? ........................................110
Q 8.13  When does the bankruptcy court consider final approval
of DIP financing? ......................................................................................111
Q 8.14  What is a typical timeline for obtaining DIP financing? .....................111
Q 8.15  What standard will a bankruptcy court apply in
approving DIP financing? .........................................................................113
Q 8.16  What are the key documents in a DIP financing? ............................113
  Q 8.16.1 What documentation is filed with the bankruptcy
court and becomes public? ......................................................................115
Q 8.16.2 When does a DIP loan terminate or mature? .................................115
Q 8.16.3 Who pays the fees and expenses of the DIP lenders’
professional advisors? .............................................................................116
Q 8.16.4 Who negotiates DIP financing? .......................................................116
Q 8.17  What is a “carveout”? ..........................................................................116
Q 8.18  Are DIP lenders able to obtain a lien over avoidance actions? ........116

Chapter 9  Contracts and Leases ..................................................................119
Q 9.1   What is an executory contract? ............................................................120
  Q 9.1.1 Does the Bankruptcy Code define “executory contract”? ............120
  Q 9.1.2 What definition of executory contract do
bankruptcy courts usually use? ...............................................................120
Q 9.1.3 Are there other factors that courts consider in
determining whether a contract is executory? ......................................120

  Q 11.5.1 Who is an insider? ................................................................. 158
Q 11.6 Is the debtor permitted to pay directors’ fees and expenses for post-petition services? ............................................................... 159
Q 11.7 Is the debtor permitted to pay directors’ fees and expenses for prepetition services? ............................................................... 159
Q 11.8 What is a “KERP”? .................................................................... 159
Q 11.8.1 Is a debtor authorized to maintain a KERP that was established prepetition or to create a new KERP post-petition? ................................................................. 160
Q 11.8.2 What limitations does the Bankruptcy Code place on KERPs? .................................................................................. 160
Q 11.8.3 How have debtors responded to the limitations on KERPs that were introduced by the 2005 amendments? ................. 161
Q 11.9 What is a “KEIP”? .............................................................................................................................................. 161
Q 11.9.1 Are the Bankruptcy Code limitations applicable to KERPs also applicable to KEIPs? ...................................................... 161
Q 11.10 May a debtor pay severance payments to an insider? ............ 162
Q 11.11 May a debtor reject an employment contract? .................... 163
Q 11.11.1 What claim does an employee have for rejecting an employment contract? .............................................................. 163
Q 11.12 May a debtor assume an employment contract and assign it to a third-party purchaser? .................................................. 164
Q 11.13 Is a debtor liable for claims for damages resulting from noncompliance with the Worker Adjustment and Retraining Notification (WARN) Act? ...................................................... 164
Q 11.14 Do collective bargaining agreements continue in effect post-petition? ........................................................................ 164
Q 11.15 Do prepetition claims under a collective bargaining agreement have a special priority over other general unsecured claims? ........................................................................... 164
Q 11.16 May a debtor reject a collective bargaining agreement? ........ 165
Q 11.16.1 What standard will a court apply in determining whether a debtor may reject a collective bargaining agreement? ........................................................................... 166
Q 11.16.2 Does a union have the right to strike if a collective bargaining agreement is rejected? ...................................................... 167
Q 11.16.3 Does a bankruptcy court have jurisdiction to adjudicate allegations of unfair labor practices? .......................... 167
Q 11.17 May a bankruptcy court authorize interim modifications to a collective bargaining agreement? .......................... 167
Q 11.18 How are retiree benefits treated in Chapter 11? .................... 168
Q 11.18.1 May a debtor seek authority to modify or not pay retiree benefits? .............................................................................. 168
Q 11.18.2 May a debtor modify or terminate retiree benefits without following the procedures under the Bankruptcy Code if the benefit plan is terminable by its terms? ...................................................................... 169
Q 11.18.3 What standard will a court apply in determining whether a debtor may modify its obligation to pay retiree benefits? ................................................................. 169

Q 11.18.4 Is a bankruptcy court able to reinstate retiree benefits that were modified prepetition? .................................................. 169

Q 11.18.5 Who is an “authorized representative”? .......................... 170

Q 11.19 What is a single-employer defined benefit pension plan? .... 170

Q 11.20 May a debtor reject a single-employer defined benefit pension plan in bankruptcy? .......................................................... 170

Q 11.21 What role does the PBGC play in bankruptcy proceedings? .............................. 171

Q 11.22 What is a “controlled group”? ........................................... 171

Q 11.22.1 What liabilities do non-debtor controlled group members have in bankruptcy? ..................... 171

Q 11.23 How would a debtor terminate a single-employer pension plan through a distress termination? ...................... 172

Q 11.23.1 What are the requirements for the reorganization test? ...... 173

Q 11.24 May a company terminate a single-employer pension plan if the plan is maintained pursuant to a collective bargaining agreement? ............................................. 173

Q 11.25 What are termination premiums? ........................................ 173

Q 11.26 Can the buyer in a section 363 asset sale decline to assume an underfunded single-employer pension plan? .................... 174

Q 11.27 What is a multiemployer pension plan? ............................. 174

Q 11.28 How are multiemployer pension plans treated when the debtor is a contributing employer? ................................. 174

Chapter 12 Treatment of Claims ...................................................... 179

Q 12.1 What is a “claim” in bankruptcy? ........................................... 180

Q 12.1.1 When is a claim deemed to arise for bankruptcy purposes? ............................................................................ 180

Q 12.1.2 Is an equity interest a claim? ............................................. 181

Q 12.2 What types of claims can be asserted in a bankruptcy? 181

Q 12.2.1 What is a secured claim? .................................................. 181

Q 12.2.2 What is an administrative claim? ..................................... 182

Q 12.2.3 What is a priority unsecured claim? ................................. 182

Q 12.2.4 What is a general unsecured claim? ................................. 183

Q 12.2.5 What is an unliquidated claim? ........................................ 183

Q 12.2.6 What is a contingent claim? ............................................. 184

Q 12.2.7 What is an unmatured claim? ......................................... 184

Q 12.2.8 What is a disputed claim? .............................................. 184

Q 12.3 How does a court determine whether a claim is secured? ....................... 185

xxv
Q 12.3.1 What are an oversecured claim and an undersecured claim? .......................................................... 185
Q 12.3.2 How is a secured claim treated if the value of the collateral is less than the amount of the claim? .......... 185
Q 12.3.3 Is the holder of a secured claim entitled to receive interest payments during bankruptcy? .................... 185
Q 12.3.4 Will the holder of a secured claim be responsible for the costs of maintaining or disposing of its collateral in bankruptcy? ........................................................ 186
Q 12.4 What is the priority for payment of claims and interests in bankruptcy? ............................................. 186
Q 12.4.1 What is the “absolute priority rule”? ......................... 187
Q 12.4.2 What is the purpose of the absolute priority rule? ...... 187
Q 12.5 What is claim “allowance”? .................................................. 188
Q 12.5.1 Does a claim need to be allowed in order to qualify for a distribution? ........................................... 188
Q 12.5.2 What are a debtor’s schedules? ......................................... 188
Q 12.5.3 What is a proof of claim? ................................................... 189
Q 12.5.4 How is a proof of claim filed? ........................................... 189
Q 12.5.5 What is a bar date? ........................................................... 190
Q 12.5.6 What is a bar date order? .................................................. 190
Q 12.5.7 What is the effect of failing to file a claim by the bar date? ................................................................. 191
Q 12.5.8 What is the penalty for knowingly filing a false claim? .. 192
Q 12.5.9 What is the effect of a claim being listed in the debtor’s schedules as undisputed, liquidated and noncontingent? ................................................................. 192
Q 12.5.10 May a claimant freely amend or withdraw a filed proof of claim? ................................................. 192
Q 12.5.11 Is a properly filed claim presumed to be valid? .......... 193
Q 12.5.12 Who may object to a claim? ............................................... 193
Q 12.5.13 What is the process for objecting to a claim? .......... 193
Q 12.5.14 If no objection is made to a claim, is the claim automatically allowed? ........................................ 194
Q 12.5.15 Can claims be allowed in Chapter 11 for purposes other than distribution under a Chapter 11 plan? .... 194
Q 12.5.16 Are there claims that must be allowed by a district court rather than a bankruptcy court? ............... 194
Q 12.5.17 Can a claim that has been disallowed ever be reconsidered? ......................................................... 194
Q 12.6 What is claim “estimation”? .................................................. 195
Q 12.6.1 When is claim estimation ordinarily used? ............... 195
Q 12.6.2 Can a claim be estimated for purposes other than receiving plan distributions? ........................................ 195
Q 12.6.3 How does claim estimation work? ........................................ 195
Q 12.6.4 Does claim estimation have *res judicata* effect? ............... 196
Q 12.7 What is claim “recharacterization”? ........................................ 196
Q 12.7.1 Is recharacterization provided for in the Bankruptcy Code? ...................................................................... 196
Q 12.7.2 Under what circumstances might a claim be subject to recharacterization? .............................................. 196
Q 12.8 What is claim subordination? ................................................ 197
Q 12.8.1 Is subordination provided for under the Bankruptcy Code? ..................................................................... 198
Q 12.8.2 What is contractual subordination? .................................... 198
Q 12.8.3 Are contractual subordination agreements honored in bankruptcy? ......................................................... 198
Q 12.8.4 Are breach claims relating to rescission of an equity security sale or purchase agreement subject to subordination? .................................................................................. 198
Q 12.8.5 What is “equitable subordination”? .................................... 199
Q 12.8.6 Are claims of insiders subject to a different standard with regard to equitable subordination? ......................... 199
Q 12.8.7 What is equitable disallowance? ........................................... 199
Q 12.9 What is “substantive consolidation”? ...................................... 200
Q 12.9.1 Is substantive consolidation provided for under the Bankruptcy Code? ......................................................... 200
Q 12.9.2 What is the procedure for seeking substantive consolidation? ...................................................................... 200
Q 12.9.3 What factors does a court ordinarily consider in determining whether to grant substantive consolidation? .......................................................................................................................... 200
Q 12.9.4 What are the effects of substantive consolidation? .......... 202
Q 12.10 What is setoff? ................................................................. 202
Q 12.10.1 Is setoff provided for in the Bankruptcy Code? ............... 202
Q 12.10.2 When is a setoff generally permissible? ......................... 202
Q 12.10.3 What is a “mutual” claim? .................................................. 203
Q 12.10.4 Is the right of setoff subject to the automatic stay? .......... 203
Q 12.10.5 What is the process for effectuating a setoff? ................. 203
Q 12.11 What is recoupment? .......................................................... 204
Q 12.11.1 Is recoupment provided for in the Bankruptcy Code? ...... 204
Q 12.11.2 When is recoupment generally permissible? ................. 204
Q 12.11.3 Is recoupment subject to the automatic stay? .......... 204
Q 12.11.4 What is the process for effectuating recoupment? ........... 205
Q 12.11.5 What is the difference between recoupment and setoff? ..... 205
Chapter 13  Distressed Debt and Claims Trading

Q 13.1 What is distressed debt? ................................................................. 210
  Q 13.1.1 Why would someone buy distressed debt? ......................... 210
Q 13.2 May a creditor transfer or assign its bankruptcy claim? .......... 211
  Q 13.2.1 Can a claimholder sell participations in its claim? ............ 211
Q 13.3 What types of restrictions on claims trading are there in
  bankruptcy? ...................................................................................... 212
  Q 13.3.1 What are some of the primary considerations in
  purchasing distressed debt? .............................................................. 213
  Q 13.3.2 Does a seller or buyer need to give notice of the
  trade to anyone? ........................................................................... 214
  Q 13.3.3 Can a claim be traded at any time during a
  bankruptcy case? .......................................................................... 215
  Q 13.3.4 Must the terms of a claim trade be disclosed in
  the bankruptcy case? .................................................................. 215
Q 13.4 What is the process for trading or assigning claims? ............ 215
Q 13.5 How is a trade of a claim typically documented? ................. 216
  Q 13.5.1 What are some common provisions in trade
  documentation? ............................................................................. 216
  Q 13.5.2 What provisions does a seller of a claim typically
  seek to include in trade documentation? ......................................... 216
  Q 13.5.3 What provisions does a buyer of a claim typically
  seek to include in trade documentation? ......................................... 217
Q 13.6 What rights does a purchaser of a claim acquire? ................. 218
Q 13.7 Do securities laws govern the trading of claims? ................. 218
  Q 13.7.1 What are the consequences of trading claims
  based on material non-public information? ...................................... 219
Q 13.8 May a claim be split among multiple buyers? ....................... 220
Q 13.9 In what respects do trading of trade debt and bank debt differ? 220
Q 13.10 Can a claim be treated differently in the hands of a buyer
  than it would have been in the hands of the original claimant? ...... 221
  Q 13.10.1 What is a record date? ....................................................... 221
  Q 13.10.2 Are there any reasons a claim may not be
  enforceable by a purchaser? .......................................................... 222
  Q 13.10.3 May a party trade claims for the purpose of obtaining
  leverage in a bankruptcy case? ....................................................... 222
  Q 13.10.4 What does it mean to “designate” a claim? ....................... 223
  Q 13.10.5 What is “equitable subordination”? ................................. 223
Q 13.11 How is a trade impacted if the claim is disputed? .............. 223
Q 13.12 What is the impact of a lock-up agreement on claims trading? 224
Q 13.13 Is a restriction on trading claims in a pre-bankruptcy credit
  agreement enforceable in bankruptcy? .......................................... 224
Table of Contents

Chapter 14  Asset Sales .............................................................................................................227
Q 14.1  Is a debtor in bankruptcy permitted to sell or use its assets outside the ordinary course of business? .........................228
Q 14.2  What must a debtor show in order to obtain court authorization to sell assets? ...................................................228
Q 14.3  What are the key distinctions between selling assets pursuant to section 363 and pursuant to a Chapter 11 plan? ............229
Q 14.4  May a debtor sell all or substantially all of its assets in a bankruptcy sale? .................................................................230
  Q 14.4.1  What is a “sub rosa” plan? ..................................................................................230
Q 14.5  Why would a debtor seek to sell substantially all of its assets? ....230
Q 14.6  Is an auction required for the sale of a debtor’s assets? .................231
  Q 14.6.1  What is the typical process for an auction in Chapter 11? ...231
Q 14.7  What do typical bidding procedures provide? .................................................................231
  Q 14.7.1  What is a “stalking horse”? .................................................................................232
  Q 14.7.2  What bid protections might a stalking horse obtain? ..........232
  Q 14.7.3  What is a break-up fee? ...................................................................................233
  Q 14.7.4  Are “no shop” restrictions on the debtor permissible? ....233
Q 14.8  May a debtor sell its assets free and clear of liens, claims and encumbrances? ..............................................................234
Q 14.9  Will a purchaser of a debtor’s assets in bankruptcy be subject to claims for successor liability? ...............................................234
Q 14.10  What is credit bidding? .........................................................................................235
  Q 14.10.1  Can the debtor prohibit a secured creditor from credit bidding? .................................................................235
  Q 14.10.2  If a secured lender’s collateral is valued at less than the secured lender’s debt, is the secured lender limited to the value of the collateral in its credit bid? ....236
  Q 14.10.3  How does credit bidding work in a syndicated bank loan facility where some lenders do not wish to participate in a credit bid? .................................................................236
Q 14.11  What are the key documents in an asset sale in Chapter 11? ......236
Q 14.12  When is an “ombudsman” required in a Chapter 11 asset sale? ....237

Chapter 15  Avoidance Actions .................................................................................................239
Q 15.1  What is an avoidance action? .....................................................................................240
Q 15.2  Is “transfer” defined under the Bankruptcy Code? ...................................................240
Q 15.3  What is the “strong-arm clause”? .................................................................240
Q 15.4  May a debtor avoid a statutory lien? ...........................................................................241
Q 15.5 May a debtor avoid a post-petition transfer? ........................................ 241
Q 15.6 Who may seek to avoid a transfer? ....................................................... 241
   Q 15.6.1 May an individual creditor or a creditors’ committee seek to avoid a transfer? ........................................ 241
Q 15.7 Are the avoidance powers different in Chapter 7 and Chapter 11 cases? ........................................................................ 242
Q 15.8 Are there limitations on a debtor’s powers to avoid transfers? .... 242
   Q 15.8.1 Is there a deadline by which a debtor may commence an action to avoid a transfer? ........................................ 242
   Q 15.8.2 May a debtor avoid a creditor’s security interest if the creditor takes steps post-petition to perfect or continue a security interest against the debtor? ................................ 243
   Q 15.8.3 How do a creditor’s reclamation rights affect the debtor’s avoidance powers? ........................................ 243
   Q 15.8.4 Are there limitations on the avoidability of transfers in connection with financial contracts? ........................................ 243
Q 15.9 What action must a debtor take to avoid a transfer? ......................... 243
Q 15.10 What is a “preferential transfer” or “preference”? ............................. 244
   Q 15.10.1 What is an “interest of the debtor in property”? ......................... 244
   Q 15.10.2 How does a court determine whether a transfer was “for the benefit of a creditor”? ........................................ 244
   Q 15.10.3 What is an “antecedent debt”? .................................................... 245
   Q 15.10.4 Is “insolvent” defined in the Bankruptcy Code? ....................... 245
   Q 15.10.5 Who are “insiders” for purposes of preferential transfers? ........ 245
   Q 15.10.6 Can a payment to a secured creditor be avoided as preferential? ........................................................................ 246
   Q 15.10.7 Who has the burden of proving that a transfer was preferential? ........................................................................ 246
Q 15.11 Why does the Bankruptcy Code permit a debtor to recover transfers as preferential? ........................................ 247
Q 15.12 Are there exceptions or defenses to preference actions? .............. 247
   Q 15.12.1 What constitutes substantially contemporaneous exchange for new value? ........................................ 247
   Q 15.12.2 How do courts determine whether a transfer was in the ordinary course of business? ........................................ 248
   Q 15.12.3 What is a purchase money security interest? ............................. 248
   Q 15.12.4 What is the subsequent new value defense? ............................. 249
   Q 15.12.5 When is a “floating lien” an exception to a preferential transfer? ........................................................................ 249
   Q 15.12.6 Is the fixing of a statutory lien an exception to a preferential transfer? ........................................................................ 250
Q 15.12.7 Who has the burden of proving an exception or defense in a preference action? ................................. 250
Q 15.13 What is a fraudulent transfer or fraudulent conveyance? .......... 250
Q 15.14 What is “actual fraud”? .............................................................. 251
Q 15.15 What is “constructive fraud”? .................................................. 251
Q 15.16 What are the elements of a fraudulent transfer under the Bankruptcy Code? ................................................. 251
Q 15.17 May a debtor in bankruptcy avoid a transfer under state fraudulent conveyance laws? .................................. 251
   Q 15.17.1 What state fraudulent laws are available to the debtor? ..... 252
   Q 15.17.2 What is the Uniform Fraudulent Conveyance Act? ...... 252
   Q 15.17.3 What is the Uniform Fraudulent Transfer Act? .......... 252
   Q 15.17.4 How do courts determine which state’s fraudulent conveyance law should apply? .............................. 252
   Q 15.17.5 Will the governing law provision in a contract control which state’s law applies in a fraudulent conveyance lawsuit? ........................................................................... 252
Q 15.18 How long will a party be at risk after a transaction for potential avoidance of a transfer as a fraudulent conveyance? .......... 253
Q 15.19 How does a court determine whether a debtor received “reasonably equivalent value” or “fair consideration”? 254
   Q 15.19.1 Does the good faith of the parties matter in determining the equivalence or fairness of the value exchanged? .............................................................................. 254
   Q 15.19.2 Which party has the burden of proving reasonably equivalent value or fair consideration? .............. 255
   Q 15.19.3 Will a fairness opinion obtained in connection with a transaction provide a defense in case of a future fraudulent conveyance action? .................................................. 255
Q 15.20 What are the financial tests that a court will apply to determine whether a transfer was constructively fraudulent? ...... 255
   Q 15.20.1 Is the test for “insolvency” different for fraudulent conveyances than for preferential transfers? .......... 255
   Q 15.20.2 How would a court determine whether transferor was left with “unreasonably small capital” as the result of a transfer? ................................................................. 256
   Q 15.20.3 What is “equitable insolvency”? ............................................. 256
   Q 15.20.4 Will a court consider contingent liabilities in determining insolvency? ........................................... 256
   Q 15.20.5 Which party has the burden of proving the financial condition of the transferor? ............................... 257
Q 15.20.6 Does the court consider whether the transferor’s future financial demise was unforeseeable at the time of the transfer? .................................................................257
Q 15.20.7 Will a solvency opinion obtained in connection with a transaction provide a defense in case of a future fraudulent conveyance action? ..................................................257
Q 15.21 Do courts consider the circumstances surrounding a transfer in determining whether it was constructively fraudulent? ..................................................................................258
Q 15.22 What is the remedy if a debtor is successful in avoiding a transfer? ..........................................................................................................................258
   Q 15.22.1 From whom may the debtor recover? ..................................258
   Q 15.22.2 Is there strict liability for an avoided transfer? ..................258
   Q 15.22.3 What types of parties to a transaction would not be liable for an avoided transfer? ..............................................................258
   Q 15.22.4 Can a debtor recover from a foreign party? ...................258
Q 15.23 What will a debtor do with any assets recovered in an avoidance action? .................................................................................................259
Q 15.24 Will a claim against a creditor for an avoided transfer affect any claim that the creditor may have against the debtor? ........259
Q 15.25 May a foreign representative in a Chapter 15 case utilize the debtor’s avoidance powers under the Bankruptcy Code? ........259

Chapter 16 Plan Process ........................................................................263
Q 16.1 What is a Chapter 11 plan? ..........................................................264
Q 16.2 Does a plan require bankruptcy court approval? .......................264
   Q 16.2.1 What is the process for bankruptcy court confirmation? ......264
   Q 16.2.2 Can a Chapter 11 plan provide for liquidation rather than reorganization? .................................................................265
Q 16.3 What is an “exclusivity” period? .................................................265
   Q 16.3.1 How long is the debtor’s exclusivity period? ...................265
   Q 16.3.2 Why is the exclusivity period important to a debtor? .......265
   Q 16.3.3 How long is the exclusivity period for a small business debtor? ...........................................................................266
   Q 16.3.4 Can a party in interest seek to terminate or shorten the exclusivity period? .................................................................266
   Q 16.3.5 What rights do other parties in interest have after the expiration of the exclusivity period? ....................................................267
Q 16.4 What is a disclosure statement? ..................................................267
   Q 16.4.1 What is required for a disclosure statement to be approved by the court? .................................................................267
| Q 16.4.2 | What is adequate information? | 268 |
| Q 16.4.3 | How much notice must be provided prior to a hearing to approve a disclosure statement? | 268 |
| Q 16.4.4 | May a debtor solicit votes for its plan prior to filing its bankruptcy petition? | 268 |
| Q 16.4.5 | Are the disclosure statement requirements different if a debtor solicits votes for its plan prior to filing its bankruptcy petition? | 269 |
| Q 16.4.6 | Are the requirements for approval of the disclosure statement of small business debtors different? | 269 |
| Q 16.5 | What are typical disclosure statement contents? | 269 |
| Q 16.5.1 | What type of financial information is provided in a disclosure statement? | 270 |
| Q 16.5.2 | What is a liquidation analysis? | 270 |
| Q 16.5.3 | What risk factors are commonly included in a disclosure statement? | 270 |
| Q 16.5.4 | Must a disclosure statement comply with securities registration requirements if the plan proposes the issuance of securities? | 271 |
| Q 16.5.5 | Is there an obligation to update the information included in a disclosure statement? | 271 |
| Q 16.6 | What must a Chapter 11 plan include? | 272 |
| Q 16.7 | What is a class of claims or interests? | 273 |
| Q 16.7.1 | Must all classes of similarly situated claims be treated the same? | 273 |
| Q 16.7.2 | What is a convenience class? | 273 |
| Q 16.7.3 | Is there a priority under the Bankruptcy Code for the treatment of different types of claims under a plan? | 274 |
| Q 16.7.4 | What treatment is required for “priority” claims? | 274 |
| Q 16.7.5 | What treatment is required for “administrative” claims? | 274 |
| Q 16.7.6 | What is a “section 1111(b) election”? | 274 |
| Q 16.8 | What other types of provisions may a plan include? | 275 |
| Q 16.9 | What is a plan supplement? | 275 |
| Q 16.10 | What are the procedures for voting to accept or reject a Chapter 11 plan? | 276 |
| Q 16.10.1 | Who is entitled to vote to accept or reject a plan? | 276 |
| Q 16.10.2 | How long do creditors and equity holders typically have to submit their ballots? | 277 |
| Q 16.10.3 | What is a voting record date? | 277 |
| Q 16.10.4 | If a claim or equity interest is traded, who is entitled to submit the ballot for that claim or equity interest? | 277 |
| Q 16.11 | What is a “plan support agreement” or “lock-up agreement”? | 277 |
Q 16.12 Can a plan be modified after votes have been solicited?........278
Q 16.13 How does the court treat competing plans of reorganization?....279
Q 16.14 How long does the plan approval process take in a
typical Chapter 11 bankruptcy case?.................................279
  Q 16.14.1 What is a typical timeline for the plan approval process?.....279
Q 16.15 What are the confirmation requirements for a plan?..........281

### Chapter 18 Bankruptcy Trustees and Examiners ........................................333  
Q 18.1 What is a Chapter 11 trustee? ..........................................................334  
Q 18.2 How is a Chapter 11 trustee appointed? ...........................................334  
  Q 18.2.1 Under what circumstances will a bankruptcy court grant a motion seeking the appointment of a Chapter 11 trustee? ........335  
  Q 18.2.2 Who appoints the Chapter 11 trustee? .........................................335  
Q 18.3 What happens to a debtor’s management team if a Chapter 11 trustee is appointed? .........................................................335  
Q 18.4 What are the duties of a Chapter 11 trustee upon his or her appointment? .................................................................336  
  Q 18.4.1 What professionals does a Chapter 11 trustee generally retain to assist in the performance of his or her duties? ........336  
  Q 18.4.2 How is a Chapter 11 trustee compensated for his or her duties? ..................................................................................337
Q 18.4.3 How are the Chapter 11 trustee’s retained professionals compensated? ............................................. 337
Q 18.5 What are the essential differences between a Chapter 7 trustee and a Chapter 11 trustee? .................................................. 337
Q 18.6 What is a bankruptcy examiner? ........................................................................................................ 338
Q 18.7 How is the examiner appointed? .................................................................................. 338
Q 18.8 Under what circumstances will a bankruptcy court grant a motion seeking the appointment of an examiner? ......................... 338
Q 18.9 Does the appointment of an examiner displace a debtor’s management team? .......................................................... 338
Q 18.10 What are the duties of an examiner upon his or her appointment? .......................................................... 339
Q 18.10.1 What professionals does an examiner generally retain to assist in the performance of his or her duties? .......... 339
Q 18.10.2 How is an examiner compensated for his or her duties? 339
Q 18.10.3 How are the examiner’s retained professionals compensated? .......................................................... 340
Q 18.11 What are the differences between a Chapter 11 trustee and an examiner? .......................................................... 340
Q 18.11.1 Under what circumstance would a party seek the appointment of an examiner but not of a Chapter 11 trustee? .......................................................... 340
Q 18.11.2 Can both an examiner and a Chapter 11 trustee be appointed? .......................................................... 341
Q 18.12 What is a receiver? ........................................................................................................ 341
Q 18.12.1 Can a receiver be appointed in a Chapter 11 case? .......................................................... 341

Chapter 19 Conversion or Dismissal ................................................................................. 345
Q 19.1 What does it mean to “convert” a bankruptcy case? .......................................................... 346
Q 19.2 What does it mean to dismiss a bankruptcy case? .......................................................... 346
Q 19.3 Does a debtor have the right to convert a case from Chapter 11 to Chapter 7? .......................................................... 346
Q 19.4 May a party other than the debtor seek to convert or dismiss a Chapter 11 bankruptcy case? .......................................................... 347
Q 19.5 Is a court required to convert or dismiss a Chapter 11 bankruptcy case on the request of a party in interest? .......................................................... 347
Q 19.6 What constitutes “cause” for purposes of dismissing or converting a Chapter 11 case? .......................................................... 348
Q 19.7 Does “bad faith” constitute “cause” for conversion or dismissal of a Chapter 11 case? .......................................................... 348
Table of Contents

Q 19.8 May a court dismiss or convert a Chapter 11 bankruptcy case *sua sponte* (that is, of its own accord)? ............349
Q 19.9 How quickly must a court hear the motion of a non-debtor party in interest to convert or dismiss a Chapter 11 debtor’s case? ..........................................................349
Q 19.10 Can a Chapter 11 case be converted to Chapter 7 without the debtor’s consent? ......................................................349
Q 19.11 When may a Chapter 7 case be converted to a Chapter 11 case? ........................................................................350
Q 19.12 When may a Chapter 7 case be dismissed? ..........................................................350
Q 19.12.1 What constitutes “cause” for purposes of dismissing a Chapter 7 case? ..........................................................350

Chapter 20 Professionals........................................................................................................353
Q 20.1 What are professionals under the Bankruptcy Code? ..................354
Q 20.1.1 How does a bankruptcy court determine if a professional has a central role in a bankruptcy case and thus must be retained?........................................................................354
Q 20.1.2 What requirements must be met for the debtor to retain a professional that has a central role in the case? .....355
Q 20.1.3 What requirements must be met for the debtor to retain special counsel that does not play a central role in the bankruptcy case? ..........................................................355
Q 20.1.4 What is an ordinary course professional? ..........................355
Q 20.1.5 How does a debtor retain a professional as an officer of the company? ..........................................................356
Q 20.1.6 What requirements must be met for an official committee to retain a professional? ..........................................................357
Q 20.2 What is an “adverse interest”? ..........................................................357
Q 20.3 What is a “disinterested person”? ..........................................................357
Q 20.4 What is a conflict of interest? ..........................................................358
Q 20.4.1 Must conflicts of interest be disclosed by a professional? ....358
Q 20.4.2 May conflicts of interest be waived? ..........................................................358
Q 20.4.3 What is an “ethical wall”? ..........................................................359
Q 20.4.4 What is the “Jay Alix Protocol”? ..........................................................359
Q 20.5 What is a retention application? ..........................................................360
Q 20.5.1 Who may object to a retention application? ..........................361
Q 20.6 What is a *nunc pro tunc* retention? ..........................................................361
Q 20.7 What are typical methods of compensating professionals? ........362
Q 20.8 What is the general standard for compensation of professionals? ........................................................................362

xxxix
Q 20.8.1 Do professionals typically obtain retainers in advance of a bankruptcy filing? ............................... 363
Q 20.9 What is a fee application? .................................................. 363
Q 20.9.1 Who may object to a fee application? .................................. 365
Q 20.10 When may professional fees be paid? .............................. 365
Q 20.11 May professional fees be paid out of a creditor’s collateral? .... 365
Q 20.12 What is a fee examiner? .................................................... 366

Chapter 21  Small Business Chapter 11 Cases .................................................. 369
Q 21.1 What is a “small business case”? ........................................... 370
Q 21.2 What is a “small business debtor”? ....................................... 370
Q 21.3 What special reporting requirements are applicable to small business debtors? ................................. 371
Q 21.4 What additional duties does a small business debtor have? ...... 372
Q 21.5 What additional duties does the U.S. Trustee have with respect to a small business debtor? .............................. 373
Q 21.6 Is a small business debtor required to file a disclosure statement and have it approved by the bankruptcy court prior to the confirmation hearing? ........................................ 373
Q 21.7 When must a small business debtor file its plan and disclosure statement? ........................................... 373
Q 21.8 When must a small business debtor’s plan be confirmed? .......... 374
Q 21.9 When may a small business debtor obtain an extension of its plan and disclosure statement filing deadlines? ............... 374

Chapter 22  Single Asset Real Estate Chapter 11 Cases ................................... 377
Q 22.1 What is a SARE case? .......................................................... 378
Q 22.2 When does a debtor qualify as a SARE debtor? ....................... 378
Q 22.3 What special relief is afforded in SARE cases? ......................... 379
Q 22.4 May a SARE debtor use post-petition rents from the property to fund its operations? ............................. 380
Q 22.5 Are SARE cases subject to dismissal as bad-faith filings? ........ 380

Chapter 23  Chapter 7 Cases ................................................................. 383
Q 23.1 How is a Chapter 7 case commenced? .................................... 384
   Q 23.1.1 May a company’s creditors file an involuntary Chapter 7 case? ................................................... 384
