

Become a Subscriber to the **PLI Answer Book Standing Order Plan** and automatically receive and review new Answer Books as they are published. A 35% discount will be applied to current and all future supplements. Please note all titles carry a 30-day review period and are returnable.

PLI Answer Books provide comprehensive introductions to many different legal topics. Written by members of major law firms to provide a complete understanding of the relevant practice issues that arise in the selected subject matter, each Answer Book walks readers step-by-step through the laws, regulations and issues that the practitioner is likely to face. Answer Books are written in an easily understood question-and-answer format and include practice pointers and checklists that will assist in responding to everyday client questions.

Select the newly published Answer Books and supplements you would like to receive at a 35% discount. (The discount will also be applied to current and future supplements).
