

Searching on PLI PLUS is easier than ever. Your results automatically show the most current titles and editions. Older content is set aside by default, so it doesn't clutter your search results.

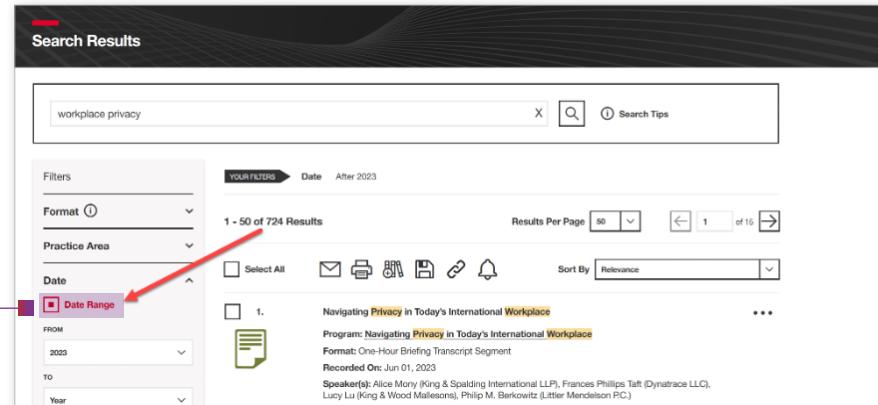

The screenshot shows the PLI PLUS search results for the query "workplace privacy". The search bar at the top contains the query. Below it, the "Filters" section includes dropdowns for Format, Practice Area, Date, Author, and Affiliation. A checkbox for "Exclude Archival Titles" is checked and highlighted with a purple box. The results list shows 1 - 50 of 344 Results. The first result is "Chapter 9. Workplace Privacy Law" from "Proskauer on Privacy: A Guide to Privacy and Data Security Law in the Information Age (Second Edition)".

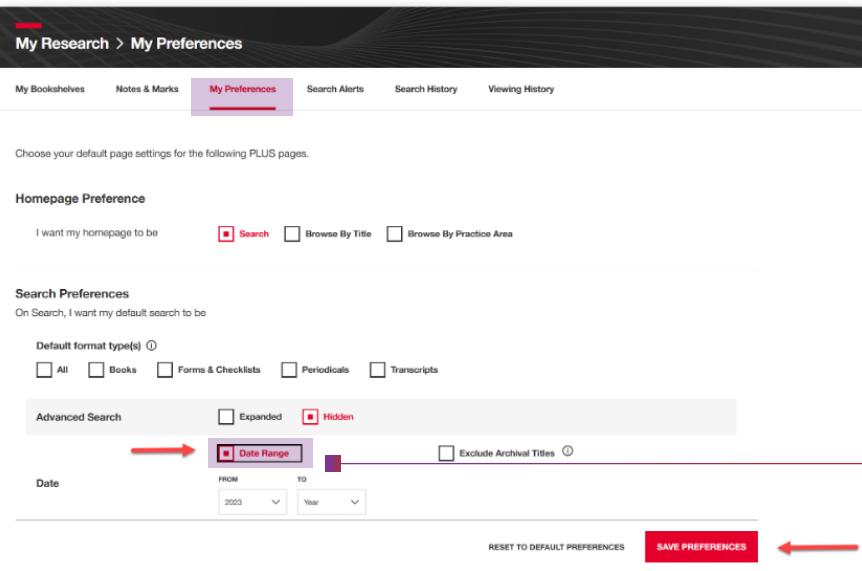

This screenshot shows the same search results as above, but the "Exclude Archival Titles" checkbox is unchecked and highlighted with a red arrow. The results list shows 1 - 50 of 344 Results.

If you prefer a predefined **Date Range**, you can set that as well.

The screenshot shows the search results for "workplace privacy" with a "Date" filter applied. The "Date" dropdown is set to "After 2023" and highlighted with a red arrow. The results list shows 1 - 50 of 724 Results. The first result is "Navigating Privacy in Today's International Workplace" from "Program: Navigating Privacy in Today's International Workplace".

This screenshot shows the "My Preferences" page. It includes sections for "Homepage Preference" (with checkboxes for "Search", "Browse By Title", and "Browse By Practice Area"), "Search Preferences" (with a note about default search), and "Default format type(s)" (checkboxes for All, Books, Forms & Checklists, Periodicals, and Transcripts). A red arrow points to the "Date Range" checkbox in the "Advanced Search" section. The "SAVE PREFERENCES" button is highlighted with a red box.

Need access to historical materials? Simply remove the filter.

If our default settings aren't right for you, you can personalize your experience in **My Preferences**.
